# Safety Instruction Guide for L.E. Wilson Micrometer Top Bullet Seater Dies

## Introduction

Thank you for choosing the L.E. Wilson Micrometer Top Bullet Seater Dies. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when reloading.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of damage or wear.
- Report any unsafe products or accidents to local authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the L.E. Wilson Micrometer Top Bullet Seater Die with an Arbor Press.
- Do not exceed the recommended bulletseating depths.
- Avoid using the product in wet or damp environments.
- Ensure that your work area is welllit and organized to prevent accidents.
- Do not attempt to modify the die or use it for purposes other than intended.

## Instructions for Installation and Usage

### 1. Setup:

- Place the Arbor Press on a stable surface.
- Ensure that the press is securely anchored to prevent movement during use.
- Attach the L.E. Wilson Micrometer Top Bullet Seater Die to the Arbor Press according to the manufacturer's instructions.

### 2. Loading Bullets:

- Select the appropriate bullet for your cartridge (280 Ackley Improved).
- Adjust the micrometer top for the desired bulletseating depth, using the scale in 0.001" increments.
- Insert the bullet into the die and apply pressure using the Arbor Press to seat the bullet.

### 3. Testing Seating Depth:

- After seating, remove the bullet and measure the overall length to verify the seating depth.
- If adjustments are needed, repeat the loading process until the desired depth is achieved.

### 4. Maintenance:

- Clean the die after each use to remove any debris or residue.
- Store the die in a dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the L.E. Wilson Micrometer Top Bullet Seater Dies, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
