

STAINLESS NECK SIZING DIES - L.E. WILSON 280 ACKLEY BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. ****NECK DIE BASE SOLD SEPARATELY****
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

Safety Instruction Guide for STAINLESS NECK SIZING DIES L.E. WILSON 280 ACKLEY BUSHING NECK DIE

Introduction

Thank you for purchasing the STAINLESS NECK SIZING DIES L.E. WILSON 280 ACKLEY BUSHING NECK DIE. This product is designed to provide you with control over the neck sizing of your cartridge cases, enhancing your shooting experience. To ensure the safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the die in accordance with the manufacturer's instructions.
- Ensure that the die is used with an Arbor Press for optimal performance.
- Keep the die and all accessories out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of damage or wear before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls or safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When changing bushings, ensure that the die is completely disassembled and not under pressure.
- Wear appropriate safety gear, including safety glasses, to protect your eyes during use.
- Ensure a stable work surface when using the die to prevent accidents.
- Avoid exceeding the recommended sizing parameters to prevent damage to the die and cartridge cases.
- Do not attempt to modify the die or its components in any way.
- Store the die in a dry, cool place to prevent corrosion and damage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the Arbor Press and any required bushings.
- Ensure your workspace is clean and organized.

2. Installation:

- Attach the die to the Arbor Press according to the manufacturer's instructions.
- Ensure that the die is securely fastened and aligned properly.

3. Using the Die:

- Insert the cartridge case into the die.
- Use the Arbor Press to apply even pressure, sizing the neck of the cartridge case to 3/16" from the mouth end.
- Remove the cartridge case from the die and inspect it for proper sizing.

4. PostUse Care:

- Clean the die after use to remove any debris or residue.
- Store the die and bushings in a protective case to prevent damage.

Disposal Instructions

- Dispose of any damaged or unusable parts in accordance with local regulations.
- Do not dispose of the die or any components in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the STAINLESS NECK SIZING DIES L.E. WILSON 280 ACKLEY BUSHING NECK DIE, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Your adherence to these instructions will help ensure a safe and effective experience with your STAINLESS NECK SIZING DIES L.E. WILSON 280 ACKLEY BUSHING NECK DIE.
