

# STAINLESS NECK SIZING DIES - L.E. WILSON 338 NORMA MAG BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. **\*\*NECK DIE BASE SOLD SEPARATELY\*\***  
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

# Safety Instruction Guide for STAINLESS NECK SIZING DIES L.E. WILSON 338 NORMA MAG BUSHING NECK DIE

## Introduction

Thank you for choosing the STAINLESS NECK SIZING DIES L.E. WILSON 338 NORMA MAG BUSHING NECK DIE. This product is designed to enhance your reloading experience by allowing precise control over neck sizing of cartridge cases. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle all reloading equipment with care and respect.
- Ensure that your workspace is clean, organized, and free from distractions.
- Wear appropriate safety gear, including eye protection and gloves, when using this product.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the die and related equipment for wear or damage before use.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The die is designed for use with an Arbor Press. Ensure that you are familiar with the operation of the press before use.
- Improper use may result in injury or damage to the die and cartridge cases.

- **Avoiding Hazards:**

- Do not exceed the recommended sizing limits; sizing the neck beyond 3/16" from the mouth end may lead to unsafe conditions.
- Ensure that the sizing bushings are properly fitted to avoid misalignment during operation.
- Never attempt to modify the die or its components.

- **AgeRelated Warnings:**

- This product is intended for use by adults only. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Arbor Press is securely mounted on a stable surface.
- Select the appropriate sizing bushing for your cartridge case.
- Insert the sizing bushing into the neck die according to the manufacturer's instructions.
- Attach the neck die to the Arbor Press, ensuring it is securely fastened.

### 2. Usage:

- Prepare your cartridge cases by cleaning them and ensuring they are free from debris.
- Place the cartridge case into the neck die, ensuring proper alignment.

- Operate the Arbor Press to size the neck of the cartridge case. Apply steady pressure until the sizing process is complete.
- Remove the sized cartridge case and inspect it for any signs of damage or irregularities.
- Repeat the process as needed for additional cartridge cases.
- Always store the die and bushings in a safe and dry location when not in use.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options specific to metal components.
- Ensure that all materials are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any questions or concerns regarding the STAINLESS NECK SIZING DIES L.E. WILSON 338 NORMA MAG BUSHING NECK DIE, please refer to the manufacturer's website or contact your retailer for assistance.

Thank you for prioritizing safety while using our product. Enjoy your reloading experience!
