

STAINLESS NECK SIZING DIES - L.E. WILSON 33 XC BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. ****NECK DIE BASE SOLD SEPARATELY**** The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

Safety Instruction Guide for STAINLESS NECK SIZING DIES L.E. WILSON 33 XC BUSHING NECK DIE

Introduction

Thank you for purchasing the STAINLESS NECK SIZING DIES L.E. WILSON 33 XC BUSHING NECK DIE. This guide provides essential safety instructions and information to ensure safe and effective use of this product. Please read this guide thoroughly before using the die.

General Safety Guidelines

- Ensure that the die is used in accordance with the manufacturer's instructions to prevent accidents or injuries.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die.
- Keep the work area clean and organized to minimize the risk of accidents.
- Store the die in a safe place out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use. Do not use if damaged.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The die is designed for use with an Arbor Press and should not be used with any other equipment.
 - Interchangeable sizing bushings are required for operation; ensure compatibility before use.
 - Proper neck sizing is crucial. Avoid excessive sizing to prevent damage to the cartridge case.
- **Avoiding Hazards:**
 - Always ensure the Arbor Press is stable and securely positioned before use.
 - Do not exceed the recommended sizing specifications to maintain the integrity of the die and cartridge cases.
 - Keep hands and other body parts clear of the die during operation to prevent injury.
- **Age Specific Warnings:**
 - This product is intended for use by adults and should not be used by children or individuals without proper supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Arbor Press is clean and in good working condition.
- Select the appropriate sizing bushing for your cartridge case.
- Install the bushing into the die according to the manufacturer's instructions.
- Secure the die in the Arbor Press, ensuring it is tightly fitted and stable.

2. Usage:

- Insert the cartridge case into the die, ensuring it is properly aligned.
- Gradually apply pressure using the Arbor Press to size the neck of the cartridge case.
- Monitor the process closely to avoid oversizing or damaging the case.
- After sizing, carefully remove the cartridge case from the die.

3. PostUsage:

- Clean the die and bushing after each use to maintain performance and longevity.
- Store the die and bushings in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or wornout parts according to local regulations.
- Ensure that all materials are disposed of in an environmentally responsible manner.
- Do not throw the die or its components in regular waste; check for recycling options if available.

Contact Information for Further Support

For safety inquiries or further assistance regarding the STAINLESS NECK SIZING DIES L.E. WILSON 33 XC BUSHING NECK DIE, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the STAINLESS NECK SIZING DIES L.E. WILSON 33 XC BUSHING NECK DIE. Always prioritize safety and adhere to the instructions to maximize the lifespan and performance of your product. Thank you for choosing L.E. WILSON.
