

STAINLESS NECK SIZING DIES - L.E. WILSON 6.8 WESTERN BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. ****NECK DIE BASE SOLD SEPARATELY**** The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

Safety Instruction Guide for Stainless Neck Sizing Dies L.E. Wilson 6.8 Western Bushing Neck Die

Introduction

Thank you for choosing the Stainless Neck Sizing Dies L.E. Wilson 6.8 Western Bushing Neck Die. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in the product specifications.
- Always handle the die with care to avoid injury.
- Keep the die and its components out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- If you notice any defects or issues, do not use the die and contact a qualified professional for assistance.
- In case of an accident or injury, report it to the relevant authorities immediately.

Specific Safety Precautions for Use

- Use the die only with an Arbor Press as specified in the product description.
- Do not exceed the recommended sizing specifications; sizing the neck to 3/16" from the mouth end is advised.
- Ensure that interchangeable sizing bushings are properly installed before use.
- Avoid using the die in wet or humid conditions to prevent rust and corrosion.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die.
- Do not attempt to modify or alter the die in any way.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and free of obstructions.
- Gather all necessary tools and materials, including the Arbor Press and interchangeable sizing bushings.

2. Installation:

- Attach the die securely to the Arbor Press following the manufacturer's instructions.
- Select the appropriate sizing bushing for your cartridge case and install it into the die.

3. Usage:

- Insert the cartridge case into the die.
- Operate the Arbor Press slowly and steadily to size the neck of the cartridge case.
- After sizing, remove the cartridge case and inspect it for proper sizing and any defects.

4. PostUsage Care:

- Clean the die and its components after each use to prevent buildup of debris.
- Store the die in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the die and any components in accordance with local regulations.
- Do not dispose of the die in regular household waste.
- If the die is damaged beyond use, consider recycling the metal components if possible.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please consult the manufacturer or a qualified professional. Ensure you have the product details available for reference.

By following these guidelines, you can help ensure safe and effective use of the Stainless Neck Sizing Dies L.E. Wilson 6.8 Western Bushing Neck Die. Thank you for your attention to safety.
