

STAINLESS NECK SIZING DIES - L.E. WILSON 6MM GT BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. ****NECK DIE BASE SOLD SEPARATELY****
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

Safety Instruction Guide for Stainless Neck Sizing Dies L.E. Wilson 6mm GT Bushing Neck Die

Introduction

Thank you for purchasing the Stainless Neck Sizing Dies L.E. Wilson 6mm GT Bushing Neck Die. This guide provides essential safety instructions and recommendations to ensure the safe and effective use of the product. Please read this guide thoroughly before using the die.

General Safety Guidelines

- Ensure the die is used in a wellventilated area to avoid inhalation of dust or fumes.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling the die and cartridge cases.
- Keep the die out of reach of children and unauthorized users.
- Inspect the die and its components for damage or wear before each use. Do not use if any parts are damaged.
- Follow all local, state, and national laws regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from sharp edges and moving parts.
 - Risk of improper neck sizing leading to ammunition malfunction.
- **Avoiding Hazards:**
 - Use the die only with compatible cartridge cases.
 - Ensure the Arbor Press is properly secured before use.
 - Do not exceed the manufacturer's recommended specifications for neck sizing.
- **AgeSpecific Warnings:**
 - This product is intended for use by adults only. Ensure that minors are supervised when in the vicinity of the die.

Instructions for Installation and Usage

1. Installation:

- Secure the die into the Arbor Press according to the manufacturer's instructions.
- Ensure that the die is tightened and properly aligned before use.

2. Usage:

- Select the appropriate sizing bushing for your cartridge case.
- Insert the cartridge case into the die.
- Operate the Arbor Press to size the neck of the cartridge case to the desired dimension (3/16" from the mouth end).
- Remove the case from the die and inspect for proper sizing and any signs of damage.
- Repeat the process for additional cartridge cases as needed.
- After use, clean the die and store it in a safe, dry location.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- Do not dispose of the die in regular household waste. Check local regulations for proper disposal methods.

for metal and other materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Stainless Neck Sizing Dies L.E. Wilson 6mm GT Bushing Neck Die, please contact your local retailer or visit the manufacturer's website for further information and support.

Please ensure that you follow these safety guidelines and instructions to ensure a safe and effective experience with your new die. Always prioritize safety and compliance with local regulations when using reloading equipment.
