

STAINLESS NECK SIZING DIES - L.E. WILSON 6MM ARC BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. ****NECK DIE BASE SOLD SEPARATELY****
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

Safety Instruction Guide for STAINLESS NECK SIZING DIES L.E. WILSON 6MM ARC BUSHING NECK DIE

Introduction

Thank you for choosing the STAINLESS NECK SIZING DIES L.E. WILSON 6MM ARC BUSHING NECK DIE. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the die to avoid any risks associated with its use.

General Safety Guidelines

- Ensure that the die is used only for its intended purpose, which is neck sizing for 6 mm ARC cartridges.
- Always wear appropriate safety gear, including eye protection, when using the die.
- Keep the work area clean and free of obstructions to prevent accidents.
- Do not use the die if it is damaged or malfunctioning. Inspect it regularly for wear and tear.
- Store the die in a safe place, out of reach of children and vulnerable individuals.
- Be cautious when handling brass cases, as they may have sharp edges.

Specific Safety Precautions for Use

- **Control the amount of neck sizing:** This die allows you to adjust the neck sizing. Ensure you understand how to change the sizing bushings properly.
- **Avoid using the conventional expander:** The design of this die eliminates the need for a conventional expander, which may lead to improved concentricity. Familiarize yourself with this feature to maximize performance.
- **Use an Arbor Press:** The die is designed to be used with an Arbor Press. Ensure you have the correct equipment to avoid accidents.
- **Sizing distance:** The die sizes the neck to 3/16" from the mouth end. Follow this guideline closely to ensure proper sizing.
- **Bushings not included:** Remember that bushings are not included with the die. Ensure you acquire the correct sizing bushings before use.
- **Decapping rod included:** The die comes with a decapping rod. Use it according to the provided instructions to avoid accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the Arbor Press and the appropriate sizing bushings.
- Ensure your workspace is organized and free from distractions.

2. Installation of the Die:

- Secure the die in the Arbor Press according to the manufacturer's instructions.
- Ensure that the die is properly aligned and tightened to prevent movement during operation.

3. Using the Die:

- Select the appropriate sizing bushing for your cartridge.
- Insert the cartridge case into the die.
- Apply even pressure using the Arbor Press to size the neck of the cartridge case.

- Monitor the process to ensure that the sizing is consistent.

4. PostUse Care:

- After use, clean the die and the Arbor Press to remove any brass shavings or debris.
- Store the die and bushings in a designated area to avoid loss or damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle brass cases where possible, following local recycling guidelines.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with the STAINLESS NECK SIZING DIES L.E. WILSON 6MM ARC BUSHING NECK DIE. Thank you for your attention to these guidelines.
