

STAINLESS NECK SIZING DIES - L.E. WILSON 7MM PRC BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. ****NECK DIE BASE SOLD SEPARATELY****
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

Safety Instruction Guide for STAINLESS NECK SIZING DIES L.E. WILSON 7MM PRC BUSHING NECK DIE

Introduction

Thank you for choosing the STAINLESS NECK SIZING DIES L.E. WILSON 7MM PRC BUSHING NECK DIE. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide thoroughly before using the die to prevent accidents and injuries.

General Safety Guidelines

- Always use the die in accordance with the manufacturer's instructions.
- Ensure that the die is compatible with your cartridge case before use.
- Keep the die and all accessories out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of damage or wear before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of the potential hazards associated with using the neck sizing die, including:
 - Injury from sharp edges or moving parts.
 - Risk of malfunction if the die is not used correctly.
- **Personal Protective Equipment (PPE):** It is recommended to wear safety glasses and gloves while using the die to protect against debris and sharp edges.
- **Work Environment:** Ensure that your work area is clean, welllit, and free from distractions to maintain focus while using the die.
- **Proper Handling:** Always handle the die with care. Avoid dropping or mishandling it, as this may cause damage or injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including an Arbor Press and compatible sizing bushings (not included).
- Ensure the work area is clean and organized.

2. Installation:

- Secure the die in the Arbor Press according to the manufacturer's instructions.
- Select and insert the appropriate sizing bushing into the die.

3. Usage:

- Place the cartridge case into the die, ensuring it is properly aligned.
- Gradually apply pressure using the Arbor Press to size the neck of the cartridge case.
- Size the neck to 3/16" from the mouth end, as preferred by many shooters.
- After sizing, remove the cartridge case carefully to avoid injury.

4. PostUsage:

- Inspect the die and cartridge case for any signs of damage or wear.
- Clean the die after use to maintain its performance and longevity.

Disposal Instructions

- Dispose of any damaged or wornout dies and accessories according to local regulations.
- Ensure that any nonfunctional parts are not accessible to children or pets.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any inquiries or support regarding the STAINLESS NECK SIZING DIES L.E. WILSON 7MM PRC BUSHING NECK DIE, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure a safe and effective experience with your neck sizing die. Thank you for prioritizing safety while enjoying your shooting activities.
