

# STAINLESS NECK SIZING DIES - L.E. WILSON 8.6 BLACKOUT BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. **\*\*NECK DIE BASE SOLD SEPARATELY\*\***  
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

# Safety Instruction Guide for Stainless Neck Sizing Dies L.E. Wilson 8.6 Blackout Bushing Neck Die

## Introduction

Thank you for choosing the Stainless Neck Sizing Dies L.E. Wilson 8.6 Blackout Bushing Neck Die. This product is designed to enhance your reloading experience by allowing you to control the neck sizing of your cartridge cases. It is essential to follow safety guidelines to ensure safe and effective use of this product. This guide provides important safety information, usage instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe handling and use of the die to prevent injury or damage.
- Always use the die in accordance with the manufacturer's instructions.
- Keep the die and all related tools out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about any recalls or safety alerts related to this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate safety gear, including safety glasses and gloves, when using the die.
- **Work Area:** Ensure your work area is clean, welllit, and free from distractions.
- **Tool Compatibility:** Use the die only with an Arbor Press as specified. Do not use with incompatible tools or equipment.
- **Neck Sizing:** Be cautious when adjusting the neck size. Follow the recommended sizing practices to avoid oversizing or damaging the cartridge case.
- **Bushings:** Note that sizing bushings are not included with the die. Ensure you have the correct bushings for your specific needs.
- **Decapping Rod:** Handle the decapping rod with care to avoid injury. Ensure it is properly secured during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the Arbor Press and appropriate sizing bushings (sold separately).
- Ensure your work area is organized and free from clutter.

### 2. Installation:

- Secure the die into the Arbor Press according to the manufacturer's instructions.
- Verify that the die is properly aligned and tightened before proceeding.

### 3. Usage:

- Insert the cartridge case into the die.
- Adjust the sizing bushing to the desired neck size, ensuring it is properly seated.
- Apply steady pressure using the Arbor Press to size the neck of the cartridge case.

- Monitor the process closely to avoid oversizing or damaging the case.
- Remove the sized cartridge case and inspect for proper sizing.

#### **4. Maintenance:**

- Clean the die after each use to remove any debris or residue.
- Store the die in a dry and secure location to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the die or any components in household waste unless specified by local guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the Stainless Neck Sizing Dies L.E. Wilson 8.6 Blackout Bushing Neck Die, please refer to the manufacturer's contact information provided on the product packaging or visit their official website for additional resources and support.

Thank you for your attention to these safety instructions. Proper use and care of your Stainless Neck Sizing Die will ensure a safe and effective reloading experience.
