Safety Instruction Guide for Bounty Hunter Stock for Smith & Wesson XFrame

Introduction

Thank you for choosing the Bounty Hunter Stock for Smith & Wesson XFrame by Midwest Industries, Inc. This product is designed to enhance your shooting experience while ensuring safety and compliance with relevant regulations. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure that you are in a safe environment when handling the firearm.
- Keep your hands clear of the cylinder when the firearm is in use to avoid injury.
- Always wear appropriate ear and eye protection when using this product.
- Be aware of your surroundings and ensure that no one is in your line of fire.
- Store the product and any associated firearms securely to prevent unauthorized access.
- Regularly check for any signs of wear or damage to the product before use.
- Ensure compliance with all relevant federal, state, and municipal laws regarding firearm use and possession.

Specific Safety Precautions for Use

- This product is designed exclusively for use with Smith & Wesson X Frame Revolvers.
- Ensure that the revolver is compatible with the Bounty Hunter Stock before installation.
- Do not exceed the maximum ammunition capacity of the shell plate holder.
- Avoid using the firearm in adverse weather conditions that may affect performance.
- Do not modify the product or firearm in any way that could compromise safety or performance.
- Keep the product out of reach of children and vulnerable individuals.
- In case of malfunction, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Ensure that the revolver is unloaded and pointed in a safe direction.
- Align the Bounty Hunter Stock with the revolver's frame.
- Securely attach the stock using the provided hardware, ensuring all components are properly aligned.
- Check that the stock is firmly in place before proceeding to use the firearm.

2. Usage

- Grip the polymer textured grip panels firmly for enhanced control.
- Adjust the cheek piece for a comfortable fit, ensuring proper alignment with your eye level.
- Utilize the rubber butt pad for improved recoil management during shooting.
- For ambidextrous use, adjust your grip and positioning as necessary for left or righthanded shooting.
- Use the shell plate holder to store ammunition securely while maintaining easy access.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories and materials.
- If the product is damaged or no longer usable, do not attempt to repair it.
- Ensure that all components are disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the Bounty Hunter Stock, please refer to the manufacturer's contact information as provided with your product packaging.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Bounty Hunter Stock for Smith & Wesson XFrame. Always prioritize safety and compliance with applicable laws when using firearm accessories.
