Bounty Hunter Brace for Taurus Raging Hunter Safety Instruction Guide

Introduction

Thank you for choosing the Bounty Hunter Brace for Taurus Raging Hunter by Midwest Industries, Inc. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use and keep it for future reference.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Taurus Raging Hunter revolver before using the Bounty Hunter Brace.
- Always wear appropriate safety gear, including ear and eye protection, when handling firearms and related accessories.
- Keep the area around you clear of unauthorized persons, especially children, when using firearms.
- Be aware of your surroundings and ensure that you have a safe backdrop when shooting.
- Regularly inspect the brace and the revolver for any signs of wear or damage before each use.
- Follow all local, state, and federal laws regarding firearm use and ownership.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- This product is designed exclusively for use with Taurus Raging Hunter revolvers. Do not attempt to use it with any other firearm models.
- Ensure that the firearm is unloaded before installing or adjusting the brace.
- Always keep your hands clear of the cylinder when loading or unloading the revolver.
- Use the brace to enhance stability and control, but do not rely solely on it for safety.
- If you experience any malfunctions or issues while using the brace, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

• Installation of the Bounty Hunter Brace:

1. Ensure the revolver is completely unloaded.
2. Align the brace with the grip and stock of the revolver.
3. Secure the brace using the provided hardware, ensuring all screws are tightened properly.
4. Attach the shell plate holder to the designated area on the brace.

• Using the Bounty Hunter Brace:

1. Position your hands on the textured grip panels for optimal control.
2. Adjust the cheek piece for a comfortable fit when aiming.
3. Utilize the rubber butt pad to manage recoil effectively.
4. Use the quickdetach sling sockets to attach a sling if desired.

• Takedown for Storage:

1. Use the hardened steel takedown thumbscrew to disassemble the brace from the revolver.
2. Store the brace and revolver in a secure location, away from unauthorized access.

Disposal Instructions

- Dispose of this product responsibly in accordance with local regulations.
- Do not dispose of the product in general household waste.
- If the product is damaged or no longer in use, consider recycling components where possible, or consult local waste management facilities for proper disposal methods.

Contact Information for Further Support
