Safety Instruction Guide for 12GA Magazine Tube Extension Support with Swivel Stud for Rem 870 XCS

Introduction

Thank you for choosing the 12GA Magazine Tube Extension Support with Swivel Stud for your Remington 870 XCS shotgun. This product is designed to enhance the reliability and performance of your firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all firearms are handled responsibly and in accordance with local laws and regulations.
- Always treat your shotgun as if it is loaded, even when you believe it to be unloaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your shotgun and accessories for wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the magazine tube extension support only with the Remington 870 XCS shotgun.
- Ensure that the support is securely installed before using the shotgun.
- Do not exceed the recommended load capacity of the magazine extension.
- Avoid using the shotgun in wet or humid conditions without proper maintenance.
- Be cautious of the recoil when firing, as it may affect the stability of the support.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the support.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Remove any existing magazine tube extension if applicable.
- Align the magazine tube extension support with the magazine tube.
- Securely attach the support using the provided hardware, ensuring proper alignment.
- Confirm that the integrated swivel stud is firmly in place.

2. Usage:

- Load the shotgun as per the manufacturer's instructions.
- Use the integrated swivel stud to attach your sling or carry system.
- Regularly check the stability of the support during use, especially after extended firing sessions.
- Clean and maintain the support as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the support is damaged or no longer usable, do not attempt to repair it.
- Recycle materials where possible, following local recycling guidelines.
