

THREAD PROTECTOR 5/8X24 THREAD CARBON STEEL UNFINISHED - REMINGTON THREAD PROTECTOR 5/8X24 THREAD CARBON STEEL UNFINISHED

REMINGTON THREAD PROTECTOR 5/8X24 THREAD CARBON STEEL UNFINISHED The Thread Protector 5/8x24 Thread Carbon Steel Unfinished is a raw, precision-machined muzzle accessory designed to shield exposed barrel threads while giving builders full control over the final finish. Made from carbon steel and shipped unfinished, it arrives in a clean, in-the-white state—ideal for custom finishing such as Cerakote, bluing, parkerizing, or nitriding. This makes it a perfect fit for gunsmiths, builders, and shooters who want a protector that can be matched precisely to a barrel or full firearm build. FEATURES Carbon Steel Body — Strong, impact-resistant steel protects threads from deformation and long-term wear. Unfinished Surface — Delivered raw for custom finishing; ideal for Cerakote, bluing, parkerizing, or nitriding. 5/8x24 Thread Pattern — Fits standard .30-caliber and magnum-class barrels. Thread Protection — Prevents dents, cross-threading, and debris buildup when no muzzle device is installed. Precision Machining — Ensures smooth engagement and proper alignment for repeatable installation of muzzle devices. Gunsmith-Ready — Clean machining ready for blasting or coating to match any build. Low-Profile Design NOTE: These items are a new, authentic products acquired directly from Remington's OEM inventory. This item is guaranteed to be unused and fully functional.

Safety Instruction Guide for THREAD PROTECTOR 5/8X24 THREAD CARBON STEEL UNFINISHED

Introduction

Thank you for choosing the THREAD PROTECTOR 5/8X24 THREAD CARBON STEEL UNFINISHED by Remington. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use as a nonfood item. Ensure you follow all safety instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. You can find updates on the EU's Safety Gate platform.
- **Online Shopping:** If purchased online, ensure that the platform complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for timely updates on unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to damage or injury.
 - Exposed threads can cause cuts or abrasions.
- **Avoiding Hazards:**
 - Always handle the product with care.
 - Ensure the product is securely attached before use.
 - Do not use if damaged or if the threads show signs of wear.
- **Age Restrictions:**
 - This product is not suitable for individuals under the age of 18.
 - Ensure that only qualified adults handle and install the product.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and safe before installation.
- Clean the barrel threads to remove any debris or dirt.

2. Installation:

- Align the THREAD PROTECTOR with the barrel threads.
- Handtighten the protector until secure. Do not overtighten.
- Check for proper alignment and engagement.

3. Usage:

- Use the THREAD PROTECTOR when no muzzle device is installed to prevent damage to the barrel threads.
- Regularly inspect the protector for signs of wear or damage.

4. Removal:

- To remove, unscrew the THREAD PROTECTOR by hand.
- Store the protector in a safe place when not in use.

Disposal Instructions

- Dispose of the THREAD PROTECTOR responsibly.
- Follow local regulations for disposal of metal products.
- Do not dispose of in regular household waste if there are specific recycling options available in your area.
