Safety Instruction Guide for SCOPE BASE W/BUBBLE LEVEL FOR REMINGTON 700 LONG ACTION

Introduction

Thank you for choosing the Anarchy Outdoors Scope Base with Bubble Level for your Remington 700 Long Action. This product is designed to enhance your shooting experience by providing a reliable and sturdy mounting solution for your scope. To ensure safe and effective use of this product, please read and follow the safety guidelines and instructions outlined in this document.

General Safety Guidelines

- Ensure the Scope Base is compatible with your specific firearm model before installation.
- Always handle firearms with care and follow all safety protocols when using this product.
- Inspect the Scope Base and mounting hardware for any signs of damage before use.
- Ensure that the Bubble Level is functioning correctly before relying on it for adjustments.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents related to this product to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended torque of 1820 inch pounds when securing the Scope Base to your firearm.
- Always ensure that the firearm is unloaded before installing or adjusting the Scope Base.
- Avoid using the Scope Base in extreme weather conditions that may affect its performance.
- Check for any obstructions that may interfere with the scope's line of sight after installation.
- Regularly inspect the Scope Base and Bubble Level for proper function and secure fit.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components, including the Scope Base, mounting hardware, and a torque wrench.
- Ensure your firearm is unloaded and in a safe working environment.

2. Installation Steps

- Align the Scope Base with the mounting holes on your Remington 700 Long Action.
- Insert the included 648 mounting screws through the base into the firearm's receiver.
- Using a torque wrench, tighten the screws to the recommended torque specifications of 1820 inch pounds.
- Attach the Bubble Level to the Scope Base if it is not preinstalled.

3. Usage

- Check the Bubble Level for proper alignment before taking any shots.
- Adjust your scope as necessary using the elevation settings to achieve optimal accuracy.
- Regularly verify that the Scope Base remains secure during use.

Disposal Instructions

- When disposing of the Scope Base, follow local regulations for electronic and metal waste disposal.
- Ensure that all components are disposed of responsibly to minimize environmental impact.
- If the product is damaged or no longer usable, do not attempt to repair it; dispose of it properly.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of this product, please consult the retailer from whom you purchased the Scope Base or refer to the manufacturer's website for additional support resources.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Anarchy Outdoors Scope Base. Thank you for your attention to safety and for choosing our product.
