Safety Instruction Guide for SCOPE BASE W/BUBBLE LEVEL FOR REMINGTON 700 LONG ACTION

Introduction

Thank you for choosing the Anarchy Outdoors Scope Base with Bubble Level for your Remington 700 Long Action rifle. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the scope base.
- Keep the scope base and all related components out of reach of children and unauthorized users.
- Inspect the scope base for any visible damage before installation. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about safety issues.

Specific Safety Precautions for Use

- Ensure that the scope base is compatible with your specific model of Remington 700.
- Use only the recommended mounting hardware provided with the scope base.
- Do not exceed the recommended torque of 1820 inch pounds when securing the scope base.
- Avoid using the scope base in extreme weather conditions that may affect its performance.
- Regularly inspect the scope and base for any signs of wear or loosening, especially after extensive use.

Instructions for Installation and Usage

1. Gather Required Tools:

- Flathead screwdriver or torque wrench
- Cleaning cloth

2. Installation Steps:

- Ensure that your firearm is unloaded.
- Clean the mounting surface of the rifle to remove any dirt or debris.
- Align the scope base with the mounting holes on the rifle.
- Insert the provided 648 mounting screws into the holes of the scope base.
- Using a torque wrench, tighten the screws to a torque of 1820 inch pounds. Do not overtighten.
- Attach the bubble level to the designated slot on the scope base if it is removable.
- Doublecheck that the scope base is securely mounted before attaching the scope.

3. Usage:

- Once installed, adjust your scope according to the manufacturer's instructions.
- Utilize the bubble level to ensure your rifle is level during aiming and shooting.
- Regularly check the alignment and security of the scope base and scope.

Disposal Instructions

- Dispose of packaging materials in accordance with local recycling regulations.
- If the scope base is no longer in use, dispose of it properly at a designated electronic waste facility.
- Ensure that no components are left in a condition that could pose a safety risk to others.
