Safety Instruction Guide for SINGLE FEED MAGAZINE SLED FOR AICS SHORT ACTION

Introduction

Thank you for choosing the Anarchy Outdoors Single Feed Magazine Sled for AICS Short Action. This product is designed to enhance your shooting experience by allowing single feed operation without compromising performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms and accessories with care and follow all local laws and regulations.
- Ensure that the magazine sled is compatible with your rifle and AICS pattern magazine wells.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine sled for signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only .223 cartridges with the magazine sled.
- Do not attempt to modify or alter the magazine sled in any way.
- Avoid using the sled in wet or damp conditions to prevent damage to the material.
- Do not exceed the recommended capacity of 1 round to avoid malfunction.
- Always keep the firearm pointed in a safe direction when loading or unloading.

Instructions for Installation and Usage

1. Installation

- Ensure that your rifle is unloaded and pointed in a safe direction.
- Remove any existing magazine from the rifle.
- Insert the Single Feed Magazine Sled into the AICS magazine well.
- Ensure that it is seated properly and securely.

2. Usage

- To load a round, simply pick up a .223 cartridge and insert it into the magazine sled.
- Ensure the round is positioned correctly for feeding into the chamber.
- Once loaded, you can operate the rifle as you would normally, using the sled for single feed operation.
- After use, remove the magazine sled from the rifle and store it in a safe place.

Disposal Instructions

- Dispose of the magazine sled in accordance with local regulations.
- Do not incinerate or expose the sled to extreme heat.
- If the sled is damaged or no longer usable, consider recycling it if possible.
