

ALPHA PRECISION RIFLE GRIPS - ANARCHY OUTDOORS ALPHA PRECISION RIGHT HAND RIFLE GRIP BLACK

ANARCHY OUTDOORS ALPHA PRECISION RIFLE GRIPS The Alpha grip combines everything you love about the classic Penguin grip and Tuxedo grip with improved trigger finger spacing. Still founded on the input from a former 3rd Ranger Battalion soldier and law enforcement agents, we have taken the precision grip to a new level. This vertical grip provides a quick, repeatable, and ergonomic action on the firearm. It gives precision rifle competitors the edge to outperform the rest of the pack. Unlike the Penguin grip, the grip has a thumb shelf with a bit more length to help you get a straight pull on your trigger with every shot. The days of pulling shots one way or the other will be a thing of the past. If you don't want to use the thumb shelf, it has a smaller thumb shelf on the other side for a more traditional-style grip. Additionally, they have upgraded the rifle grip with stippling, providing a non-slip grip and an anti-fatiguing palm shelf. The Alpha Grip is lightweight and compatible with any AR-Style rifle. It is the perfect add-on for your precision bolt action rifle.

FEATURES AR-style grip works on any chassis or AR-style precision rifle with a 45° safety selector (90° without thumb shelf) Allows direct alignment of the index finger Flat grip with a true-thumb rest Minimizes fatigue for shooting comfort during long competitions Allows for improved speed for situating your rifle in awkward shooting positions Stippling on the rifle grip to provide a no-slip grip and better control Manufactured in the USA

Safety Instruction Guide for ALPHA PRECISION RIFLE GRIPS

Introduction

Thank you for choosing the ALPHA PRECISION RIFLE GRIPS from ANARCHY OUTDOORS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your rifle grip. Please read this document carefully before using the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the rifle grip.
- Inspect the rifle grip for any defects or damage before use. Do not use if damaged.
- Keep the rifle grip out of reach of children and unauthorized users.
- Use the rifle grip only for its intended purpose and on compatible firearms.
- Follow all local laws and regulations regarding firearm use and accessories.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure proper installation of the grip to avoid any risk of detachment during use.
- Maintain a firm grip on the rifle at all times to prevent slippage.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not place your finger on the trigger until you are ready to shoot.
- Use the thumb shelf only if it enhances your shooting comfort. Otherwise, utilize the smaller thumb shelf for a traditional grip.
- Be cautious when using the grip in awkward shooting positions to avoid losing control of the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing grip from the firearm, if applicable.
- Align the ALPHA PRECISION RIFLE GRIP with the grip mounting area.
- Secure the grip using the provided screws or mounting hardware.
- Ensure the grip is firmly attached and does not move.

2. Usage:

- Hold the rifle firmly with both hands, ensuring your fingers are away from the trigger until ready to shoot.
- Use the thumb shelf to enhance trigger pull alignment, if desired.
- Practice shooting in a safe environment to become accustomed to the grip's feel and functionality.
- Regularly check the grip for stability and any signs of wear or damage.

Disposal Instructions

- Dispose of the rifle grip in accordance with local regulations.
- Do not dispose of the grip in regular household waste if it is damaged or contains hazardous materials.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support
