Safety Instruction Guide for Single Feed Magazine Sled for AICS Long Action

Introduction

Thank you for choosing the Anarchy Outdoors Single Feed Magazine Sled for AICS Long Action. This product is designed to enhance your shooting experience by allowing single feed operation without the need to load and unload magazines. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only as intended and according to the manufacturer's specifications.
- Always handle firearms and associated equipment with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine sled for any signs of damage or wear before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the magazine sled only with AICS pattern magazine wells and .223 cartridges.
- Do not exceed the capacity of the sled, which is designed for one round at a time.
- Always ensure that the firearm is pointed in a safe direction when inserting or removing rounds.
- Avoid using the sled in wet or humid conditions, as this may affect performance.
- If you experience any malfunctions, cease use immediately and consult the manufacturer.

Instructions for Installation and Usage

Installation

1. Ensure that your firearm is unloaded and pointed in a safe direction.
2. Identify the AICS pattern magazine well on your rifle.
3. Align the single feed magazine sled with the magazine well.
4. Gently insert the sled into the magazine well until it is securely in place.

Usage

1. With the sled properly installed, pick up a round and insert it into the sled.
2. Ensure that the round is seated correctly before attempting to chamber it.
3. Once the round is in place, operate the firearm according to standard shooting practices.
4. After use, carefully remove the sled from the magazine well and store it in a safe location.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic materials.
- Do not incinerate or expose the product to extreme heat.
- If the product is damaged beyond use, consider recycling it if possible.
