ANARCHY OUTDOORS CAPARISON CHEEK PIECE PADS FOR RUGER PRECISION
Anarchy Outdoors' Caparison Cheek Piece Pads use a blended EPDM foam. The foam gets precision laser cut for the perfect fit, feel, and function. This combination of foam blends three types: EPDM, neoprene, and SBR, to create a high-quality general-purpose foam. This EPDM blended foam offers superior resistance to water and wear. This resistance comes from its closed-cell construction, helping the foam restrict water, air, and gas absorption. They recommend a couple of dry runs before installing the foam pad. Once installed, the cheek pad is difficult to remove in one piece. SPECS Closed Cell Foam Smooth Texture Rubber Adhesive Backing Thickness: 1/8" Color: Black Made in the USA
