MATCHKING 22 CALIBER (0.224") HOLLOW POINT BOAT TAIL BULLETS SIERRA BULLETS MATCHKING 25 CALIBER (0.257") 131GR HPBT 100/BOX Safety Instruction Guide

Introduction

Thank you for choosing the MATCHKING 25 CALIBER (0.257") 131GR HPBT Bullets. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure all safety measures are followed when handling and using ammunition.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and vulnerable individuals.
- Always use appropriate protective gear, such as safety glasses and ear protection, when handling firearms.
- Regularly check for product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only in firearms specifically designed for the .257 caliber.
- Verify that the firearm is in good working condition before use.
- Do not exceed recommended load limits as specified by the firearm manufacturer.
- Always point the firearm in a safe direction when loading or unloading.
- Ensure the area is clear of people and obstacles before firing.
- If a bullet fails to fire, keep the firearm pointed in a safe direction for at least 30 seconds before attempting to eject the cartridge.

Instructions for Installation and Usage

- Before installation, ensure that you have the correct caliber and type of bullet for your firearm.
- Follow these steps for safe loading:
 1. Open the firearm action and ensure it is unloaded.
 2. Insert the bullet into the chamber or magazine as per the manufacturer's instructions.
 3. Close the action securely.
 4. Always check that the firearm is unloaded when not in use.
- When ready to fire:
 1. Assume a stable shooting position.
 2. Align your sights on the target.
 3. Squeeze the trigger gently, avoiding jerking or sudden movements.

Disposal Instructions

- Dispose of any unused or damaged bullets according to local regulations.
- Do not throw ammunition in the regular trash.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the designated EUbased contact for this product.

By following these guidelines, you ensure not only your safety but also the safety of those around you. Thank you for your attention to these important safety measures.
