

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 22 CREEDMOOR MODULAR SIZING DIE KIT

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: SHORT ACTION CUSTOMS, LLC. 22 CREEDMOOR MODULAR SIZING DIE KIT
- Manufacturer: SHORT ACTION CUSTOMS, LLC.
- Product no.: 430117177
- Mfr. No.: SAC-22CMMODSDK
- Cartridge: 22 Creedmoor
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

MODULAR SIZING DIE KITS SHORT ACTION CUSTOMS, LLC. 22 CREEDMOOR MODULAR SIZING DIE KIT Safety Instruction Guide

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides essential safety information and instructions to ensure the safe and effective use of your Modular Sizing Die Kit. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you have read and understood all instructions before using the Modular Sizing Die Kit.
- Always use the product in accordance with the intended purpose as outlined in this guide.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the die and components for wear or damage. Do not use if any parts are broken or defective.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear safety glasses when operating the Modular Sizing Die Kit to protect your eyes from debris.
- Use appropriate personal protective equipment (PPE), such as gloves, when handling brass and other components.
- Ensure that your workspace is clean and free from hazards that could lead to accidents.
- Do not exceed the recommended specifications for the die or cartridges.
- Avoid using the die in any manner not described in this guide.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary components included in the Modular Sizing Die Kit.
- Ensure your workspace is clean and organized.

2. Installing the Modular Sizing Die:

- Securely mount the die in your reloading press according to the manufacturer's instructions.
- Insert the neck/shoulder bushing into the die body, ensuring it fits snugly.

3. Using the Die:

- Select the appropriate cartridge (22 Creedmoor) and ensure it is compatible with the die.
- Place the brass case in the shell holder of your reloading press.
- Slowly raise the press handle to size the cartridge, ensuring proper alignment.
- After sizing, lower the handle to remove the sized cartridge.

4. Decapping:

- The included decapping expanding mandrel provides .003" neck tension. Ensure it is properly installed.
- Follow the same procedure as above to decap the brass case.

5. **PostUsage Care:**

- Clean the die and components after use to maintain performance.
- Store the Modular Sizing Die Kit in a dry, safe location away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle materials where possible, following your local recycling guidelines.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the MODULAR SIZING DIE KITS, please refer to the manufacturer's contact information provided with your product. Ensure you have your product details at hand when seeking assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Modular Sizing Die Kit. Thank you for your attention to safety, and happy reloading!
