

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 6MM CREEDMOOR MODULAR SIZING DIE KIT

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: SHORT ACTION CUSTOMS, LLC. 6MM CREEDMOOR MODULAR SIZING DIE KIT
- Manufacturer: SHORT ACTION CUSTOMS, LLC.
- Product no.: 430117179
- Mfr. No.: SAC-6CMMODSDK
- Cartridge: 6mm Creedmoor
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

Safety Instruction Guide for MODULAR SIZING DIE KITS

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS by SHORT ACTION CUSTOMS, LLC. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the MODULAR SIZING DIE KITS by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product. Regularly check for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with the safety requirements applicable in the EU.
- **Special Consumer Focus:** This product is intended for adult users. Keep out of reach of children to prevent any accidents.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by the seller or manufacturer.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on any unsafe products.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The die kit is designed for use with specific cartridges. Using the wrong cartridge can lead to malfunction or injury.
 - Improper handling of the die kit can cause injury due to sharp edges or moving parts.
- **Avoiding Hazards:**
 - Always wear appropriate safety gear, such as safety glasses, when using the die kit.
 - Ensure your workspace is clean and free from obstructions.
 - Do not exceed the recommended specifications for the die kit.
- **Age Warning:**
 - This product is not intended for use by children. Ensure that it is stored out of reach of minors.

Instructions for Installation and Usage

- **Installation:**
 1. Unpack the MODULAR SIZING DIE KIT carefully, ensuring all components are present.
 2. Attach the neck/shoulder bushing to the die body securely.
 3. Install the standard orange or grey lock ring to hold the components in place.
 4. Connect the ER11 top cap and taper adapter as needed for your specific application.
 5. Ensure the decapping expanding mandrel is properly inserted to provide the necessary neck tension.
- **Usage:**

1. Select the appropriate cartridge (6mm Creedmoor) for use with the die kit.
2. Follow the specific instructions for resizing brass to ensure proper operation.
3. Monitor the die and components for wear and tear, replacing parts as necessary.
4. After use, clean the die kit and store it in a safe, dry location.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the die kit or any of its components are damaged or no longer usable, dispose of them responsibly. Check with local waste management services for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding the MODULAR SIZING DIE KITS, please refer to the contact information provided by the seller or manufacturer. It is important to seek help if you have any questions or concerns about the safety and use of the product.

By adhering to these safety instructions, you can ensure a safe and effective experience with your MODULAR SIZING DIE KITS. Thank you for your attention to safety.
