SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. 6 GT MODULAR SIZING DIE KIT](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430117180
- Mfr. No.: SAC-6GTMODSDK
- Cartridge: 6 GT
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

MODULAR SIZING DIE KITS SHORT ACTION CUSTOMS, LLC. 6 GT MODULAR SIZING DIE KIT Safety Instruction Guide

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides essential safety information and instructions for the safe use of your Modular Sizing Die Kit. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the workspace is clean and free from clutter before using the die kit.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the die.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Potential pinch points exist when handling the die components.
 - Sharp edges may be present on some components.
 - Improper use may lead to inaccurate resizing and potential firearm malfunctions.
- **Avoiding Hazards:**
 - Always handle the die kit with care to avoid pinching fingers.
 - Use caution when handling sharp components; consider wearing gloves.
 - Ensure that the die is properly installed and secured before use to prevent malfunctions.
- **Age Restrictions:**
 - This product is intended for use by individuals aged 18 years and older.
 - Ensure that minors do not have unsupervised access to the product.

Instructions for Installation and Usage

- **Installation:**
 1. Select the appropriate Modular Sizing Die Body for your cartridge.
 2. Attach the Neck/Shoulder Bushing to the die body securely.
 3. Install the ER11 Top Cap and Taper Adapter as per the instructions.
 4. Insert the Decapping Expanding Mandrel into the die body until it is firmly seated.
- **Usage:**
 1. Ensure your reloading press is set up according to the manufacturer's guidelines.

2. Place the cartridge case into the die and ensure it is aligned correctly.
3. Operate the reloading press to resize the cartridge case.
4. Monitor the process for any unusual sounds or resistance that may indicate a problem.
5. After resizing, inspect the cartridge case for any signs of damage.

- **PostUse:**

- Clean the die components after each use to remove any debris or residue.
 - Store the die kit in a dry, safe place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the MODULAR SIZING DIE KITS, please contact the manufacturer directly. Ensure you have your product details ready for efficient assistance.

By following these guidelines, you can ensure a safe and effective experience while using the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. Thank you for your attention to safety, and enjoy your reloading process!
