

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 25 CREEDMOOR MODULAR SIZING DIE KIT

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: SHORT ACTION CUSTOMS, LLC. 25 CREEDMOOR MODULAR SIZING DIE KIT
- Manufacturer: SHORT ACTION CUSTOMS, LLC.
- Product no.: 430117181
- Mfr. No.: SAC-25CMMODSDK
- Cartridge: 25 Creedmoor
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

Safety Instruction Guide for MODULAR SIZING DIE KITS

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this guide carefully before using the Modular Sizing Die Kit to ensure a safe and enjoyable experience.

General Safety Guidelines

- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not modify or alter the product in any way.
- Use safety equipment, such as eye protection, when operating the die kit.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the Modular Sizing Die Kit is compatible with your specific cartridge (25 Creedmoor).
- Handle all components with care to avoid injury.
- Use the die kit in a wellventilated area to avoid inhalation of any dust or particles created during use.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Be aware of the potential for brass shavings or debris during operation; clean the workspace regularly.

Instructions for Installation and Usage

1. Installation of the Modular Sizing Die:

- Secure the Modular Sizing Die Body into your reloading press.
- Ensure that the die is tightened properly to avoid movement during use.
- Install the Neck/Shoulder Bushing according to the manufacturer's instructions.
- Attach the ER11 Top Cap and Taper Adapter securely.

2. Using the Modular Sizing Die:

- Begin by preparing your brass cases by cleaning and inspecting them.
- Insert the brass case into the die and ensure it is seated properly.
- Operate the reloading press smoothly to resize the brass.
- After resizing, remove the brass case and inspect it for proper sizing.

3. Decapping and Expanding:

- Use the Decapping Expanding Mandrel to decap the brass case while ensuring it provides the necessary .003" neck tension.
- Check that the mandrel is functioning correctly and is free from debris.

4. PostUse Care:

- After use, clean all components of the Modular Sizing Die Kit to prevent corrosion and maintain performance.
- Store the kit in a dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in regular household waste; check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the MODULAR SIZING DIE KITS, please refer to the manufacturer's website or customer support resources.

By following these safety instructions, you can ensure a safe and effective reloading experience with your MODULAR SIZING DIE KITS. Thank you for choosing SHORT ACTION CUSTOMS, LLC.
