

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 6 BR MODULAR SIZING DIE KIT

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. 6 BR MODULAR SIZING DIE KIT](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430117182
- Mfr. No.: SAC-6BRMODSDK
- Cartridge: 6 mm BR
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

Safety Instruction Guide for MODULAR SIZING DIE KITS

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The product contains small parts that may pose a choking hazard.
 - Improper handling of the die may lead to injury.
- **Avoiding Hazards:**
 - Do not use the die if it is damaged or malfunctioning.
 - Always wear appropriate protective gear, such as safety glasses and gloves, when using the die.
 - Use the die in a wellventilated area to avoid inhaling any dust or debris.
- **Age Restrictions:**
 - This product is not intended for use by individuals under the age of 18. Ensure adult supervision when used by younger individuals.

Instructions for Installation and Usage

1. Installation:

- Ensure that your work area is clean and free from debris.
- Gather all necessary components from the packaging:
 - Modular Sizing Die Body
 - Neck/Shoulder Bushing
 - Standard orange or grey lock ring
 - ER11 Top Cap
 - Taper Adapter
 - ER11 Collet
 - Decapping Expanding Mandrel
- Follow these steps to install the die:
 - Secure the Modular Sizing Die Body into your reloading press.
 - Attach the Neck/Shoulder Bushing to the die body.
 - Install the standard lock ring to secure the bushing in place.
 - Insert the Decapping Expanding Mandrel into the die, ensuring it is properly seated.

2. Usage:

- Select the appropriate cartridge for resizing.

- Adjust the die settings according to your specific needs.
- Begin the resizing process, ensuring that the cartridge is properly aligned.
- Monitor the operation closely to ensure safe handling.
- After use, clean the die and store it in a safe location.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is damaged beyond repair, contact your local waste management service for proper disposal guidelines.
- Do not dispose of the product in household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding the product, please refer to the contact information provided in the product packaging or the manufacturer's website.
