

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 260 REMINGTON MODULAR SIZING DIE KIT

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: SHORT ACTION CUSTOMS, LLC. 260 REMINGTON MODULAR SIZING DIE KIT
- Manufacturer: SHORT ACTION CUSTOMS, LLC.
- Product no.: 430117183
- Mfr. No.: SAC-260REMMODSDK
- Cartridge: 260 Remington
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

Safety Instruction Guide for MODULAR SIZING DIE KITS

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS by SHORT ACTION CUSTOMS, LLC. This guide provides important safety information and instructions for the proper use of your Modular Sizing Die Kit for the 260 Remington cartridge. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading equipment.
- Keep the product out of reach of children and unauthorized individuals.
- Inspect the product regularly for signs of wear or damage. Do not use if damaged.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Follow all local laws and regulations regarding the use and storage of reloading equipment.

Specific Safety Precautions for Use

- Always doublecheck that the die is properly installed before use.
- Ensure that the cartridge being resized is free of obstructions and contaminants.
- Do not exceed the recommended specifications for the cartridge when resizing.
- Avoid using excessive force during resizing, as this can lead to equipment failure or injury.
- If you experience any unusual resistance while resizing, stop immediately and inspect the equipment.
- Do not modify the product or use it for any purpose other than intended.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Workspace:** Ensure your work area is clean, organized, and welllit.
2. **Gather Tools and Materials:** Have all necessary tools and components ready, including the Modular Sizing Die Body, Neck/Shoulder Bushing, and Decapping Expanding Mandrel.
3. **Install the Die:**
 - Secure the Modular Sizing Die Body into your reloading press according to the manufacturer's instructions.
 - Attach the appropriate Neck/Shoulder Bushing to the die body.
 - Ensure the Decapping Expanding Mandrel is properly inserted and secured.

Usage Instructions

1. **Check Equipment:** Verify that all components are correctly installed and functioning.
2. **Prepare Cartridges:** Ensure that the brass cases are clean and free of debris.
3. **Resize Cartridges:**
 - Insert the brass case into the die.
 - Operate the reloading press smoothly to resize the cartridge.
 - Remove the resized cartridge and inspect for proper sizing.
4. **Decapping:** The Decapping Expanding Mandrel will remove the spent primer during resizing. Ensure that the spent primer is collected safely.
5. **Repeat:** Continue the resizing process for additional cartridges, following the same steps.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in general waste. Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the official contact point provided by the manufacturer. Ensure you have your product details ready for reference.

By following these safety instructions, you can ensure a safe and effective experience with your MODULAR SIZING DIE KITS. Thank you for your attention to safety and for choosing SHORT ACTION CUSTOMS, LLC.
