

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC.

7MM-08 REMINGTON MODULAR SIZING DIE KIT

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: SHORT ACTION CUSTOMS, LLC. 7MM-08 REMINGTON MODULAR SIZING DIE KIT

Safety Instruction Guide for MODULAR SIZING DIE KITS SHORT ACTION CUSTOMS, LLC. 7MM08 REMINGTON MODULAR SIZING DIE KIT

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides important safety instructions to ensure the safe use of your product. Please read this document carefully before using the Modular Sizing Die Kit.

General Safety Guidelines

- Always follow the manufacturer's instructions and recommendations for safe use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the die kit for any signs of damage or wear before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use protective eyewear when operating the die kit to prevent injury from debris.
- Ensure that the work area is clean and free from distractions when using the die kit.
- Avoid wearing loose clothing or jewelry that could become caught in the equipment.
- Do not modify or attempt to repair the die kit yourself; contact a professional if servicing is required.
- Store the die kit in a dry and secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Unboxing the Kit

- Carefully open the packaging and remove all components.
- Check that all items listed in the package are present:
 - Modular Sizing Die Body
 - Neck/Shoulder Bushing
 - Standard orange or grey lock ring
 - ER11 Top Cap
 - Taper Adapter
 - ER11 Collet
 - Decapping Expanding Mandrel providing .003" neck tension
 - Cardboard Shipping box

2. Setting Up the Die Kit

- Select the appropriate neck/shoulder bushing for your cartridge.
- Install the neck/shoulder bushing into the die body securely.
- Attach the lock ring to the die body and ensure it is tightened properly.
- Connect the ER11 Top Cap and Taper Adapter to the die body as per the instructions provided.

3. Using the Modular Sizing Die

- Insert the cartridge case into the die.

- Ensure the die is properly aligned with your reloading press.
- Apply even pressure to the press handle to size the cartridge.
- After sizing, check the cartridge for proper dimensions and fit.

4. PostUsage Care

- Clean the die components after each use to remove any debris or residue.
- Store all components in the original packaging or a secure container to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- Do not throw the product in regular household waste. Instead, check for local recycling programs that accept metal and plastic components.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact details provided in the product packaging or visit the manufacturer's official website.

By following these safety instructions, you can ensure a safe and effective experience with your MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. Thank you for your attention to safety.
