

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 7MM PRC MODULAR SIZING DIE KIT

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: SHORT ACTION CUSTOMS, LLC. 7MM PRC MODULAR SIZING DIE KIT
- Manufacturer: SHORT ACTION CUSTOMS, LLC.
- Product no.: 430117191
- Mfr. No.: SAC-7PRCMODSDK
- Cartridge: 7mm PRC
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

Safety Instruction Guide for MODULAR SIZING DIE KITS SHORT ACTION CUSTOMS, LLC. 7MM PRC MODULAR SIZING DIE KIT

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides important safety instructions and usage recommendations to ensure safe and effective use of your Modular Sizing Die Kit. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always inspect the die kit before use for any signs of damage or wear.
- Keep the die kit out of reach of children and unauthorized users.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die kit.
- Avoid using the die kit in wet or damp conditions to prevent electrical hazards.
- Ensure that all components are securely fastened before operating the die kit.
- Do not exceed the recommended specifications for the cartridge used with the die kit.
- Handle all components with care to avoid injury from sharp edges or moving parts.
- If you experience any difficulty or unusual behavior while using the die kit, stop immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Unboxing the Kit

- Carefully remove all components from the shipping box.
- Inspect each item for damage or defects.

2. Assembly of the Die Kit

- Attach the neck/shoulder bushing to the die body securely.
- Install the ER11 top cap and taper adapter as per the instructions provided.
- Ensure the decapping expanding mandrel is correctly positioned to provide the specified neck tension.

3. Using the Modular Sizing Die

- Select the appropriate cartridge for your needs.
- Insert the cartridge into the die and ensure it is properly aligned.
- Operate the die with a consistent and controlled force to resize the cartridge.
- After resizing, remove the cartridge and check for proper sizing and neck tension.

4. PostUse Care

- Clean the die kit after each use to prevent buildup of debris or residue.
- Store the die kit in a dry, safe place away from children and pets.

Disposal Instructions

- Dispose of any damaged or worn components according to local regulations.
- Recycle packaging materials whenever possible to minimize environmental impact.
- Do not dispose of the die kit in household waste; check for local recycling programs for metal and plastic components.

Contact Information for Further Support

For any questions or concerns regarding the MODULAR SIZING DIE KITS, please refer to the manufacturer's website or customer support resources for assistance.

By following these guidelines, you can ensure a safe and effective experience with your MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. Thank you for your attention to safety.
