

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 243 WINCHESTER MODULAR SIZING DIE KIT

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: SHORT ACTION CUSTOMS, LLC. 243 WINCHESTER MODULAR SIZING DIE KIT
- Manufacturer: SHORT ACTION CUSTOMS, LLC.
- Product no.: 430117192
- Mfr. No.: SAC-243WINMODSDK
- Cartridge: 243 Winchester
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

Safety Instruction Guide for MODULAR SIZING DIE KITS

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this guide carefully before using the Modular Sizing Die Kit to understand the potential hazards and how to use the product safely.

General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure that the product is used only for its intended purpose as specified in the manual.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before each use.
- Store the product in a dry, safe place when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Modular Sizing Die Kit.
- Ensure that the work area is wellventilated to avoid inhaling any dust or particles generated during use.
- Do not use the Modular Sizing Die Kit if you are under the influence of drugs or alcohol.
- Avoid wearing loose clothing or jewelry that may become caught in the equipment.
- Be cautious when handling sharp tools or components to prevent cuts or injuries.
- Do not exceed the recommended specifications for the die kit to avoid malfunction or injury.

Instructions for Installation and Usage

1. Installation:

- Unpack the Modular Sizing Die Kit carefully and check that all components are included.
- Ensure that the workspace is clean and organized.
- Attach the Modular Sizing Die Body securely to your reloading press according to the manufacturer's instructions.
- Install the Neck/Shoulder Bushing into the die body, ensuring it is properly seated.
- Attach the decapping expanding mandrel to the die body as per the guidelines.

2. Usage:

- Select the cartridge you wish to resize, ensuring it is compatible with the Modular Sizing Die Kit.
- Adjust the die height according to the specifications for your cartridge.
- Insert the cartridge into the die and apply steady pressure using the reloading press to resize the case.
- Monitor the process closely to ensure proper operation and avoid overworking the brass.
- After resizing, inspect the cartridge for any signs of damage or improper sizing.

Disposal Instructions

- Dispose of any damaged or unusable components of the Modular Sizing Die Kit according to local regulations.

- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options for metal and plastic components where available.

Contact Information for Further Support

For any questions or concerns regarding the Modular Sizing Die Kit, please refer to the manufacturer's website or contact the customer support team. Always ensure that you have the product details at hand when seeking assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your MODULAR SIZING DIE KITS. Always prioritize safety and report any concerns to the appropriate authorities. Thank you for choosing SHORT ACTION CUSTOMS, LLC.
