

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 300 PRC MODULAR SIZING DIE KIT

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: SHORT ACTION CUSTOMS, LLC. 300 PRC MODULAR SIZING DIE KIT
- Manufacturer: SHORT ACTION CUSTOMS, LLC.
- Product no.: 430117193
- Mfr. No.: SAC-300PRCMODSDK
- Cartridge: 300 PRC
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

Safety Instruction Guide for MODULAR SIZING DIE KITS SHORT ACTION CUSTOMS, LLC. 300 PRC MODULAR SIZING DIE KIT

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this guide carefully before using the Modular Sizing Die Kit.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses, when using the product.
- Inspect the product for any damage before use. Do not use if damaged.
- Follow all instructions carefully to avoid any potential hazards.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Sharp edges may be present on the die components.
 - Improper use may cause injury or damage to the firearm.
- **Avoiding Hazards:**
 - Always handle the die kit with care to prevent cuts or abrasions.
 - Ensure that the die is properly secured before use to prevent accidents.
 - Do not exceed the recommended specifications for the cartridge being used.
 - Keep all components clean and free of debris to ensure proper functioning.

Instructions for Installation and Usage

1. Preparation:

- Gather all components from the Modular Sizing Die Kit, including:
 - Modular Sizing Die Body
 - Neck/Shoulder Bushing
 - Standard orange or grey lock ring
 - ER11 Top Cap
 - Taper Adapter
 - ER11 Collet
 - Decapping Expanding Mandrel
 - Cardboard Shipping box

2. Installation:

- Select the appropriate Neck/Shoulder Bushing for your cartridge.
- Attach the Neck/Shoulder Bushing to the Modular Sizing Die Body.
- Secure the assembly with the standard lock ring.
- Insert the Decapping Expanding Mandrel into the die, ensuring it is properly seated.
- Attach the ER11 Top Cap to the die body.

3. Usage:

- Place the die into a reloading press compatible with the Modular Sizing Die.
- Insert the cartridge case into the die.
- Operate the reloading press according to the manufacturer's instructions.
- Check for proper sizing and neck tension after resizing.

4. PostUsage:

- Remove the die from the press and clean all components thoroughly.
- Store the die kit in a safe, dry place away from children.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For inquiries regarding safety or product support, please refer to the contact details provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. Always prioritize safety and adhere to the guidelines outlined in this document. Thank you for your attention to these important safety measures.
