

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 270 WINCHESTER MODULAR SIZING DIE KIT

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: SHORT ACTION CUSTOMS, LLC. 270 WINCHESTER MODULAR SIZING DIE KIT
- Manufacturer: SHORT ACTION CUSTOMS, LLC.
- Product no.: 430117195
- Mfr. No.: SAC-270WINMODSDK
- Cartridge: 270 Winchester
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

MODULAR SIZING DIE KITS SHORT ACTION CUSTOMS, LLC. 270 WINCHESTER MODULAR SIZING DIE KIT Safety Instruction Guide

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides essential safety instructions to ensure the safe and effective use of your Modular Sizing Die Kit. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that your workspace is clean and organized to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die kit.
- Keep the die kit out of reach of children and vulnerable individuals.
- Regularly inspect the die kit for any signs of damage or wear before use.
- Do not use the die kit for any purpose other than its intended use.
- Be aware of your surroundings and avoid distractions while using the die kit.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

• Hazard Identification:

- The die kit may contain sharp edges; handle with care to avoid cuts.
- The decapping mandrel is designed to exert force; ensure proper handling to prevent injury.

• Avoiding Hazards:

- Always ensure that the die is securely mounted before use.
- Do not exceed the recommended specifications for sizing, as this may lead to equipment failure or injury.
- Use the die kit in a wellventilated area to avoid inhalation of any dust or debris produced during use.

• AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18. Adult supervision is required if used by younger individuals.

Instructions for Installation and Usage

• Installation:

1. Select the appropriate Modular Sizing Die Body and Neck/Shoulder Bushing for your cartridge.
2. Securely mount the die body into your reloading press according to the manufacturer's instructions.
3. Attach the neck/shoulder bushing to the die body, ensuring a tight fit.
4. Install the decapping expanding mandrel as per the guidelines provided in the kit.

• Usage:

1. Adjust the die to the desired sizing depth according to your cartridge specifications.
2. Insert the cartridge case into the reloading press.
3. Operate the press to size the cartridge, ensuring a smooth and controlled motion.
4. Inspect the sized cartridge for any defects or irregularities.
5. Repeat the process as necessary for additional cartridges.

Disposal Instructions

- Dispose of any packaging materials and used components in accordance with local regulations.
- Do not dispose of the die kit in regular household waste. Check with local authorities for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the official website or customer service of SHORT ACTION CUSTOMS, LLC. It is important to have a reliable point of contact for any safety concerns or product issues.

By following these safety instructions, you can ensure a safe and effective experience with your MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. Thank you for your attention to safety, and happy reloading!
