

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 22 ARC MODULAR SIZING DIE KIT

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

MODULAR SIZING DIE KITS SHORT ACTION CUSTOMS, LLC. 22 ARC MODULAR SIZING DIE KIT Safety Instructions

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your Modular Sizing Die Kit. Please read this manual carefully before use to familiarize yourself with the product and its safe handling.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as outlined in this manual.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling or using the die kit.
- Keep the die kit and all components out of reach of children and vulnerable individuals.
- Regularly inspect the die kit for any signs of damage or wear. Do not use damaged components.
- Follow all instructions for safe handling and operation to minimize risks of accidents or injuries.
- Be aware of your surroundings and ensure that your workspace is welllit and free of obstructions.

Specific Safety Precautions for Use

- Handle the die kit with care to avoid injury from sharp edges or points.
- Use the Modular Sizing Die only with compatible cartridges. Refer to the product specifications for compatibility.
- Ensure that the die is securely mounted in the reloading press before use.
- Do not exceed the recommended specifications for neck tension or resizing.
- Avoid using excessive force when resizing cartridges, as this may lead to equipment failure or injury.
- Store the die kit in a dry, cool place to prevent corrosion or damage to components.

Instructions for Installation and Usage

1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Remove any existing die from the press if necessary.
- Carefully insert the Modular Sizing Die into the press, ensuring it is properly aligned.
- Secure the die with the provided lock ring and ensure it is tightly fastened.
- Attach the appropriate neck/shoulder bushing to the die according to your cartridge specifications.

2. Usage:

- Prepare your workspace by ensuring all necessary tools and materials are within reach.
- Select the cartridge you wish to resize and ensure it is clean and free of debris.
- Insert the cartridge into the die and apply gentle pressure using the reloading press handle.
- Monitor the resizing process closely and make adjustments as necessary to maintain proper neck tension.
- After resizing, inspect the cartridge for any defects or issues before proceeding with further reloading steps.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die kit or its components in regular household waste.
- Consider recycling metal components where applicable, or contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of your Modular Sizing Die Kit, please refer to the contact information provided with your purchase. Ensure you have the product details ready for a more efficient response.

By following these safety instructions, you can ensure the safe and effective use of your MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. Always prioritize safety and adhere to the guidelines provided in this manual. Thank you for your commitment to safe handling practices.
