

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 7MM REMINGTON MAGNUM MODULAR SIZING DIE KIT

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: [SHORT ACTION CUSTOMS, LLC. 7MM REMINGTON MAGNUM MODULAR SIZING DIE KIT](#)
- Manufacturer: [SHORT ACTION CUSTOMS, LLC.](#)
- Product no.: 430117201
- Mfr. No.: SAC-7RMMODSDK
- Cartridge: 7 mm Remington
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

MODULAR SIZING DIE KITS SHORT ACTION CUSTOMS, LLC. 7MM REMINGTON MAGNUM MODULAR SIZING DIE KIT Safety Instructions

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides essential safety information and instructions to ensure the safe and effective use of your Modular Sizing Die Kit. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die kit.
- Keep the die kit out of reach of children and unauthorized users.
- Inspect the die kit regularly for any signs of wear or damage. Do not use damaged components.
- Store the die kit in a dry, secure place when not in use.
- Be aware of your surroundings and ensure that the work area is clean and free from hazards.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the Modular Sizing Die Kit only with compatible cartridges, specifically the 7mm Remington Magnum.
- Avoid wearing loose clothing or jewelry that could become entangled in the equipment.
- Do not exceed the recommended pressure limits when resizing cartridges.
- Ensure that all components are correctly assembled before use.
- Do not modify the die kit or its components in any way.
- Always follow proper handling procedures for fired brass and other materials.

Instructions for Installation and Usage

1. Setup:

- Ensure that your workspace is clean and welllit.
- Gather all components of the Modular Sizing Die Kit, including the die body, neck/shoulder bushing, lock ring, taper adapter, collet, and decapping expanding mandrel.

2. Installation:

- Secure the die body in your reloading press according to the press manufacturer's instructions.
- Attach the neck/shoulder bushing to the die body, ensuring it is properly seated.
- Adjust the lock ring to secure the bushing in place.
- Install the decapping expanding mandrel into the die body, ensuring it is properly aligned.
- Attach the ER11 top cap and taper adapter as needed.

3. Usage:

- Insert a fired cartridge case into the die.
- Operate the press to resize the cartridge, ensuring smooth and controlled movement.
- Check the neck tension using a caliper to ensure it meets the required specifications.
- Remove the resized cartridge case and inspect it for any defects.

4. PostUsage:

- Clean the die kit components after use to remove any debris or residue.
- Store the die kit in its designated packaging to protect it from damage.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle materials where possible, such as metal and cardboard packaging.
- Do not dispose of the die kit in general waste; follow specific disposal guidelines for hazardous materials if applicable.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Modular Sizing Die Kit, please refer to the manufacturer's contact details provided on the product packaging or visit the official website of SHORT ACTION CUSTOMS, LLC.

By following these safety instructions, you can ensure a safe and effective experience with your Modular Sizing Die Kit. Thank you for your attention to safety and proper usage.
