

MODULAR SIZING DIE KITS - SHORT ACTION CUSTOMS, LLC. 28 NOSLER MODULAR SIZING DIE KIT

SHORT ACTION CUSTOMS, LLC. MODULAR SIZING DIE KITS The SAC Modular Sizing Die in a pre-built kit that includes a neck/shoulder bushing and decapping expanding mandrel that provides 0.003" of neck tension. Just pick your cartridge, SAC has combined everything else needed! "The Modular Sizing Die" uses a unique design where the die body sizes the cartridge's body geometry, and a "Neck / Shoulder Bushing" controls the shoulder and neck geometry. This versatility allows one die body to serve the entire cartridge family. After analyzing precision CNC machines and tooling, SAC designed the Modular Sizing Die to use shallow tapers instead of threads to center and secure the Solid Decapping Pin accurately. This tapered geometry achieves exceptional concentricity and repeatability. The die's sizing geometry intentionally sizes the base a bit more than the shoulder compared to other resizing dies, which helps prevent extraction issues with fired brass in properly sized chambers. Their shoulder sizing geometry minimizes case runout and reduces overworking of the brass by limiting shoulder sizing. WHAT'S IN THE PACKAGE Modular Sizing Die Body Neck/Shoulder Bushing Standard orange or grey lock ring ER11 Top Cap Taper Adapter ER11 Collet Decapping Expanding Mandrel that provides .003" neck tension Cardboard Shipping box

Attributes

- Name: SHORT ACTION CUSTOMS, LLC. 28 NOSLER MODULAR SIZING DIE KIT
- Manufacturer: SHORT ACTION CUSTOMS, LLC.
- Product no.: 430117205
- Mfr. No.: SAC-28NMODSDK
- Cartridge: 28 Nosler
- Die Style: Sizing Dies
- Delivery weight: 0.454kg
- Shipping height: 229mm
- Shipping width: 102mm
- Shipping length: 38mm

MODULAR SIZING DIE KITS SHORT ACTION CUSTOMS, LLC. 28 NOSLER MODULAR SIZING DIE KIT Safety Instruction Guide

Introduction

Thank you for choosing the MODULAR SIZING DIE KITS from SHORT ACTION CUSTOMS, LLC. This guide provides essential safety instructions to ensure the safe and effective use of your die kit. Please read and understand these guidelines before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the MODULAR SIZING DIE KITS. Follow all instructions to mitigate risks associated with the product.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product. You can find updates on the EU Safety Gate platform.
- **Online Shopping:** If purchased online, verify that the seller complies with safety regulations, ensuring that your product meets the same safety standards as those sold in physical stores.
- **Special Consumer Focus:** Keep the product away from children and vulnerable individuals. This product is intended for use by adults with appropriate knowledge and skills.
- **EU Contact Point:** For any safety inquiries, ensure you have access to the contact information of the manufacturer or distributor within the EU.
- **Rapid Alerts:** Regularly check for updates on safety alerts for this product through the Safety Gate system.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the user manual before using the die kit.
- **Use Proper Equipment:** Ensure that you use the MODULAR SIZING DIE KITS with compatible reloading equipment.
- **Inspect Before Use:** Check all components for damage or wear before each use. Do not use damaged components.
- **Wear Safety Gear:** Use appropriate safety gear, such as safety glasses and gloves, when operating the die kit to protect against debris and sharp edges.
- **Avoid Overloading:** Do not exceed the recommended loading specifications for your reloading equipment or the die kit.
- **Maintain a Clean Workspace:** Keep your work area clean and organized to avoid accidents and ensure safe handling of materials.
- **Store Safely:** Store the die kit and all components in a secure location, out of reach of children and unauthorized users.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials required for the installation and use of the MODULAR SIZING DIE KITS.
- Ensure that your reloading press is compatible with the die kit.

2. Installation:

- Securely install the Modular Sizing Die Body into your reloading press according to the

manufacturer's instructions.

- Attach the Neck/Shoulder Bushing to the die body, ensuring it is firmly in place.
- Install the Standard orange or grey lock ring to secure the die components.

3. **Usage:**

- Prepare your brass cases by cleaning and inspecting them for any defects.
- Insert the brass case into the die, ensuring proper alignment.
- Operate the press to size the case, applying consistent and controlled pressure.
- After sizing, remove the case and inspect it for proper dimensions and quality.

4. **PostUse:**

- Clean the die components after use to prevent corrosion and maintain functionality.
- Store the die kit and all components in the provided cardboard shipping box or another secure container.

Disposal Instructions

- **Dispose Responsibly:** Dispose of any damaged or unusable components according to local regulations for hazardous materials.
- **Recycling:** Where possible, recycle materials such as metal and cardboard to minimize environmental impact.
- **Follow Local Guidelines:** Always adhere to local waste disposal regulations to ensure safe and responsible disposal of product components.

Contact Information for Further Support

For any questions or concerns regarding the MODULAR SIZING DIE KITS, please refer to the contact information provided by the manufacturer or distributor. It is important to have access to this information for safety inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your MODULAR SIZING DIE KITS. Thank you for your attention to these important guidelines.
