ACHRO™ 10L EDC Sling Bag Safety Instruction Guide

Introduction

Thank you for choosing the ACHRO™ 10L EDC Sling Bag. This product is designed to offer a functional and versatile solution for everyday carry needs. To ensure your safety and the longevity of your bag, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the bag for any signs of damage or wear before use.
- Ensure that all zippers, straps, and compartments are functioning properly.
- Keep the bag away from extreme heat sources and sharp objects to prevent damage.
- Store the bag in a cool, dry place when not in use.
- Use the bag only for its intended purpose as described in the product specifications.

Specific Safety Precautions for Use

- When using the concealed firearm pocket, ensure that the firearm is unloaded and securely stored.
- Always check local laws and regulations regarding the carrying of firearms and concealed weapons.
- Avoid overloading the bag to maintain comfort and prevent strain on your shoulders.
- Adjust the shoulder straps to fit securely and comfortably on your body.
- Do not leave the bag unattended in public places, especially when it contains valuables.
- If the bag becomes wet, allow it to dry completely before storing it.

Instructions for Installation and Usage

- **Shoulder Strap Adjustment:**
 - To adjust the padded shoulder strap, pull the strap through the adjustment buckle until it fits comfortably on your shoulder.
 - Ensure that the strap is securely fastened before use.
- **Using the MFT MultiMount Platform:**
 - Attach your holstered firearm or accessories to the MFT MultiMount Platform using the hook & loop system.
 - Ensure that the attachment is secure before carrying the bag.
- **Accessing the Main Compartment:**
 - Use the panel zip to open the main compartment fully.
 - Organize your daily essentials within the various internal zippered storage pockets for easy access.
- **Using the Tablet Compartment:**
 - Insert your tablet into the padded tablet compartment through its designated access point.
 - Ensure that the tablet is securely placed to prevent movement during transport.
- **Care and Maintenance:**
 - Clean the bag with a damp cloth and mild detergent as needed.
 - Avoid using harsh chemicals or abrasive materials that could damage the fabric.
