ACHRO™ 10L EDC SLICK SLING BAG Safety Instruction Guide

Introduction

Thank you for choosing the ACHRO™ 10L EDC SLICK SLING BAG from MISSION FIRST TACTICAL, LLC. This guide provides important safety information and usage instructions to ensure your safe and effective use of this product. Please read the following sections carefully before using your sling bag.

General Safety Guidelines

- Ensure that the sling bag is used only for its intended purpose as a carrying solution for personal items and a discreet firearm storage system.
- Regularly inspect the bag for signs of wear or damage. Do not use the bag if it is compromised.
- Keep the bag out of reach of children and vulnerable individuals to prevent accidental access to the firearm compartment.
- Always follow local laws and regulations regarding the carrying of firearms and concealed weapons.
- Store the bag in a cool, dry place away from direct sunlight to prevent material degradation.

Specific Safety Precautions for Use

- Do not exceed the recommended weight capacity of the bag. Overloading may compromise its structural integrity.
- Ensure that any firearm stored in the bag is unloaded and secured in accordance with local laws.
- When accessing the concealed firearm compartment, do so in a safe environment to avoid accidental discharge.
- Use caution when adjusting the padded strap and waist strap to ensure they do not become entangled during use.
- The bag is designed for ambidextrous use; ensure proper adjustment for comfort and safety on either shoulder.

Instructions for Installation and Usage

• Adjusting the Straps:

- To adjust the padded shoulder strap, pull the adjustment sliders to achieve the desired length.
- The waist strap can be removed or adjusted similarly for a personalized fit.

• Using the Firearm Compartment:

- Access the concealed firearm compartment by unzipping the designated pocket.
- Ensure the firearm is securely holstered and that the compartment is zipped closed when not in use.

• Organizing Your Items:

- Utilize the internal zippered storage pockets for smaller items to prevent them from shifting during movement.
- Place larger items in the main compartment and use the front admin/organizer panel for easy access to essentials.

• Tablet Compartment:

- The padded tablet compartment is designed for secure storage. Access it through its separate zipper for convenience.

- **Cleaning and Maintenance:**

- Wipe the exterior of the bag with a damp cloth to remove dirt and debris.
- Avoid using harsh chemicals or abrasive materials that may damage the fabric.

Disposal Instructions

- Dispose of the bag in accordance with local regulations regarding textile waste.
- If the bag is damaged beyond repair, consider recycling the materials where possible.
- Remove any personal items and ensure that the firearm compartment is empty before disposal.

Contact Information for Further Support
