MISSION FIRST TACTICAL FLIP UP FRONT SIGHTS FOR PICATINNY RAIL
Polymer Backup Front Sight with standard iron sight elevation adjustment mounts onto a 1913 Picatinny Rail. Will accept any standard front post blade. Standard front sight tool is required with each click equaling the standard 1/4 MOA. Unlike other backup sights MFT has developed a shroud that shelters the front post blade from debris and impact damage when not deployed. A slim profile allows the sight to sit under most optics. FEATURES Full Elevation adjustment, tool required Low profile snag resistant design Shroud protects front post blade from debris and impact damage Accepts any standard front post blade Can fold to the rear, the correct direction if dropped Manufactured using a specially developed Military Grade reinforced, super tough polyamide Rail clamp nut has been redesigned so that there is no spin out when overtightened All plastic components have been changed to a higher strength material. Retaining pin for the cover has been redesigned so that the pin does not slip out of position. Metal front sight post SPECS Weight: .5oz Height: .879 Width: 1.08" Length: 2.23" O.A. /.6" from top of rail

Safety Instruction Guide for FLIP UP FRONT SIGHTS FOR PICATINNY RAIL

Introduction

Thank you for choosing the FLIP UP FRONT SIGHTS FOR PICATINNY RAIL by MISSION FIRST TACTICAL, LLC. This guide provides important safety information and instructions to ensure the proper use and maintenance of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a front sight for firearms equipped with a Picatinny rail.
- Always treat firearms as if they are loaded and handle them with care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls or safety alerts by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms equipped with this sight.
- Ensure that the sight is securely mounted to the Picatinny rail before use.
- Avoid using the product in extreme conditions that may compromise its integrity (e.g., extreme temperatures, excessive moisture).
- Do not attempt to modify or disassemble the sight, as this can lead to malfunctions or safety hazards.
- Be aware of your surroundings and ensure a clear line of sight when aiming and firing.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Locate the Picatinny Rail:** Identify the position on the Picatinny rail where you wish to mount the front sight.
3. **Align the Sight:** Place the FLIP UP FRONT SIGHT onto the rail, ensuring it is aligned correctly.
4. **Secure the Sight:** Use the rail clamp to tighten the sight in place. Ensure it is secure but avoid overtightening to prevent damage.
5. **Check Functionality:** Test the folding mechanism to ensure it operates smoothly.

Usage

1. **Adjust Elevation:** Use a standard front sight tool to adjust the elevation as needed. Each click equals 1/4 MOA.
2. **Deploying the Sight:** Flip the sight up for use. Ensure it is fully deployed before aiming.
3. **Folding the Sight:** When not in use, fold the sight back down to protect it from debris and impact.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic waste.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the FLIP UP FRONT SIGHTS FOR PICATINNY RAIL!
