FLIP UP REAR SIGHT BLACK

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

MISSION FIRST TACTICAL FLIP UP REAR SIGHTS Polymer Flip Up Rear Sight with Windage Adjustment mounts onto a 1913 Picatinny Rail. A flat head screw driver is required to adjust an Infinite MOA. Unlike other backup sights MFT has developed a shroud that shelters the aperture from debris and impact damage when not deployed. A slim profile allows the sight to sit under all current magnifiers and optics. FEATURES Low profile snag resistant design Shroud protects aperture from debris and impact damage Dual peep, same plane aperture allows for perfect co-witness Unique closure with either aperture deployed Can fold to the rear, the correct direction if dropped Sight works in conjunction with all standard height front sights Manufactured using a specially developed Military Grade reinforced, super tough polyamide Rail clamp nut has been redesigned so that there is no spin out when overtightened All plastic components have been changed to a higher strength material. Retaining pin for the cover has been redesigned so that the pin does not slip out of position. SPECS Weight: .5oz Height: .879" Width: 1.08" Length: 2.23" O.A. /.6" from top of rail

FLIP UP PICATINNY REAR SIGHTS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the FLIP UP PICATINNY REAR SIGHTS by MISSION FIRST TACTICAL, LLC. This guide provides essential safety instructions and usage information to ensure the safe and effective operation of your rear sights. Please read this document carefully before use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle the sight with care to avoid injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the sight for any damage or wear before use.
- If you notice any irregularities or defects, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure the sight is securely mounted to the Picatinny rail before use.
- Do not attempt to modify or disassemble the sight.
- Avoid using the sight in extreme environmental conditions, such as heavy rain or extreme temperatures, unless specified.
- When adjusting the windage, use a flat head screwdriver as instructed to avoid damaging the adjustment mechanism.
- Be cautious of the sight's aperture when deploying; ensure it is clear of debris to prevent obstruction.

Instructions for Installation and Usage

1. Installation:

- Ensure the Picatinny rail is clean and free of debris.
- Align the rear sight with the desired position on the rail.
- Securely fasten the rail clamp nut to prevent movement. Avoid overtightening to prevent spinout.
- Check that the sight is stable and does not wobble.

2. Usage:

- Deploy the sight by pulling the shroud to open the aperture.
- Adjust the windage using a flat head screwdriver. Turn clockwise to adjust right, and counterclockwise to adjust left.
- When not in use, fold the sight back down to protect the aperture from debris and damage.
- Ensure that the sight is in the correct position for cowitnessing with the front sight.

Disposal Instructions

- Dispose of the sight and any packaging materials in accordance with local regulations.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent harm to the environment.
- Do not incinerate the product as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the FLIP UP PICATINNY REAR SIGHTS, please refer to the manufacturer's contact information provided with the product.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your FLIP UP PICATINNY REAR SIGHTS responsibly and safely.
