TEKKO FREE FLOAT KEYMOD RAIL SYSTEM FOR AR15 Safety Instruction Guide

Introduction

Thank you for choosing the TEKKO Free Float KeyMod Rail System for your AR15. This guide provides essential safety instructions and information to ensure the proper and safe use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always use the product in accordance with the manufacturer's guidelines.
- Inspect the product for any damage before installation. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only compatible accessories with the KeyMod system to avoid accidents or failures.
- Ensure that all mounting systems are securely fastened before use.
- Avoid using the product in conditions that may compromise safety, such as extreme temperatures or moisture.
- Do not attempt to modify or alter the product in any way, as this may void warranties and create safety hazards.
- Always wear appropriate safety gear when handling firearms or firearm accessories.

Instructions for Installation and Usage

1. Preparation

- Gather necessary tools and equipment before starting the installation.
- Ensure the firearm is unloaded and safe to handle.

2. Installation Steps

- Remove the existing plastic factory handguard from your AR15.
- Remove the Delta ring and front sight post as required.
- Attach the standard barrel nut to the firearm.
- Position the TEKKO Free Float KeyMod Rail System onto the barrel nut.
- Secure the rail system in place according to the manufacturer's instructions.
- Ensure that the top rail is aligned properly to eliminate gaps between the receiver and rail.

3. Usage Instructions

- After installation, check all mounting points to ensure they are secure.
- Attach accessories using the KeyMod attachment system as needed.
- Regularly inspect the rail system and accessories for wear and tear.

Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.
- If the product is no longer in use, ensure that it is disposed of in an environmentally responsible manner.
- Contact local waste management services for guidance on proper disposal of aluminum and other materials.

Contact Information for Further Support

For any questions or concerns regarding the TEKKO Free Float KeyMod Rail System, please refer to the manufacturer's website or contact the customer service department for assistance.

Thank you for your attention to these safety instructions. Enjoy your new TEKKO Free Float KeyMod Rail System and use it responsibly.
