TEKKO Carbine DropIn KeyMod Rail System

Safety Instructions

Introduction

Thank you for choosing the TEKKO Carbine DropIn KeyMod Rail System for your AR15. This safety instruction guide is designed to ensure the safe and effective use of your new rail system. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your fingers off the trigger until you are ready to shoot.
- Store firearms and ammunition securely and out of reach of children.
- Regularly inspect your firearm and accessories for wear or damage.
- Follow all local laws and regulations regarding firearm usage and modifications.
- If you experience any issues or have concerns regarding safety, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure the firearm is unloaded before starting the installation process.
- **Handling:** Use caution when handling the rail system and any tools. Sharp edges may be present.
- **Accessory Compatibility:** Only use accessories that are compatible with the KeyMod system to avoid malfunctions.
- **Weight Limitations:** Be aware of the weight limits of the rail system to prevent any potential failure during use.
- **Child Safety:** Keep the rail system and any attached accessories away from children to prevent accidents.

Instructions for Installation and Usage

1. Unloading the Firearm:

- Ensure your AR15 is completely unloaded, with no magazine inserted and the chamber cleared.

2. Removing the Existing Handguard:

- Remove the existing handguard by loosening the Delta ring and sliding off the factory handguard.

3. Installing the TEKKO Rail System:

- Align the TEKKO rail system with the Delta ring and handguard cap.
- Push the rail system into place until it is securely held by the Delta ring.
- Ensure that the rail system is stable and does not move.

4. Securing Accessories:

- Attach compatible KeyMod accessories as needed, ensuring they are securely mounted.
- Check for stability and ensure that accessories do not obstruct the operation of the firearm.

5. Final Inspection:

- Conduct a thorough inspection of the installation to ensure everything is secure.
- Test the functionality of the firearm with the new rail system installed before use.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the TEKKO rail system becomes damaged or is no longer usable, dispose of it in a manner that prevents it from being used improperly.
- Follow local laws regarding the disposal of firearm accessories and components.

Contact Information for Further Support

For any questions or concerns regarding the TEKKO Carbine DropIn KeyMod Rail System, please refer to the manufacturer's website or contact their customer service for assistance.

By following these guidelines and instructions, you can ensure the safe use of your TEKKO Carbine DropIn KeyMod Rail System. Always prioritize safety and responsible handling of your firearm. Thank you for your attention to these important safety measures.
