TEKKO FREE FLOAT KEYMOD RAIL SYSTEM FOR AR15 Safety Instruction Guide

Introduction

Thank you for choosing the TEKKO Free Float KeyMod Rail System for your AR15. This product is designed to enhance the functionality of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to ensure proper installation and usage.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with EU regulations.
- **Enhanced Recalls:** Stay informed about product recalls. If a safety issue arises, manufacturers are required to provide standardized recall notices.
- **Online Shopping:** Ensure that you purchase this product from authorized dealers to guarantee safety compliance.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand the installation and usage instructions before handling the product.
- **Inspection:** Before installation, inspect the rail system for any visible damage or defects. Do not use if damaged.
- **Secure Installation:** Ensure that the rail system is securely mounted to avoid accidents during use.
- **Proper Handling:** Always handle your firearm responsibly and treat it as if it is loaded, even if it is not.
- **Protective Gear:** Use appropriate protective gear, such as safety glasses, when installing or using the rail system.
- **Avoid Modifications:** Do not attempt to modify the rail system as it may compromise safety and functionality.

Instructions for Installation and Usage

1. Removal of Existing Handguard:

- Remove the Delta ring and front sight post from your firearm.
- Ensure the firearm is unloaded before beginning the installation.

2. Installation of the TEKKO Free Float KeyMod Rail:

- Align the rail system with the barrel nut.
- Securely fasten the rail system using the standard barrel nut.
- Ensure that the rail is positioned correctly to align with the receiver.

3. Mounting Accessories:

- Utilize the KeyMod attachment system to mount accessories such as Picatinny rails, grips, and lights.
- Ensure all accessories are securely fastened and do not obstruct the operation of the firearm.

4. **Final Checks:**

- After installation, check that the rail system is firmly attached and does not wobble.
- Perform a function check of the firearm to ensure everything operates correctly.

Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- **Recycling:** If possible, recycle the aluminum components of the rail system to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the TEKKO Free Float KeyMod Rail System, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy your enhanced shooting experience with the TEKKO Free Float KeyMod Rail System!
