[Home](#)

MISSION FIRST TACTICAL TEKKO FREE FLOAT KEYMOD RAIL SYSTEM FOR AR-15 Free Float KeyMod Rail System replaces the plastic factory handguard. KeyMod attachment system provides secure mounting for MIL-STD 1913 Picatinny Rails and accessories such as vertical grips, lights, lasers, bipods and other rail mounted kit. Will accommodate most suppressor installations. Patent pending mounting, indexing and lock up system. Larger range of modularity with offset mounting positions as well as the traditional 12, 3, 6 and 9 o'clock positions. Monolithic style top rail eliminates the gap between the receiver and rail. Minor assembly required, utilizes standard barrel nut and will accommodate a standard front sight post, low profile gas block or Picatinny Rail gas block. The KeyMod system allows for universal modularity between numerous manufacturers of accessories, and accessory rails. Lightweight 6061 aluminum construction is Type 3 hard coat anodized. THE EASIEST FREE FLOAT RAIL TO INSTALL PERIOD! FEATURES Handguard replacement Secure platform for mounting Picatinny Rails and accessories Monolithic style top rail Allows most suppressor installations Lightweight 6061 aluminum construction is Type 3 hard coat anodized Removal of Delta ring and front sight post required. Utilizes the standard barrel nut KeyMod The New Standard in Modularity Instruction Sheet SPECS Height: 2.487" Width: 1.875"

# TEKKO FREE FLOAT KEYMOD RAIL SYSTEM FOR AR15 Safety Instruction Guide

## Introduction

Thank you for choosing the TEKKO Free Float KeyMod Rail System for your AR15. This guide provides essential safety instructions and guidelines to ensure the safe and proper use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the TEKKO Free Float KeyMod Rail System, which is designed for nonfood product applications.
- **Enhanced Recalls:** Stay informed about any recall notices that may affect this product. If any issues arise, remedies will be provided at no cost.
- **Online Shopping Safety:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep all components out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the appropriate contact point based in the EU.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides updates on unsafe products.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure that the firearm is unloaded before beginning installation.
  - Use proper tools and protective gear during installation.
- **Handling Precautions:**
  - Always treat the firearm as if it is loaded.
  - Keep fingers away from the trigger until ready to fire.
- **Use of Accessories:**
  - Only use accessories that are compatible with the KeyMod system.
  - Regularly check the tightness of mounted accessories to prevent them from loosening during use.
- **Maintenance:**
  - Regularly inspect the rail system for any signs of wear or damage.
  - Clean the rail system according to the manufacturer's instructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the following tools:
  - Standard barrel nut wrench
  - Allen wrench set
  - Screwdriver set
- Gather all necessary components and accessories.

### 2. Installation Steps:

- **Remove the Factory Handguard:**
  - Unload the firearm.
  - Remove the Delta ring and front sight post.
- **Install the KeyMod Rail System:**

- Position the KeyMod rail over the barrel nut.
- Secure it in place using the standard barrel nut.
- Ensure that the rail is properly indexed and locked into place.
- **Attach Accessories:**
  - Use the KeyMod attachment points to mount Picatinny rails or other accessories.
  - Ensure all attachments are securely fastened.

### 3. Usage:

- After installation, ensure that all components are functioning correctly.
- Test the stability of the rail system and mounted accessories before use.
- Follow all standard firearm safety practices during operation.

## Disposal Instructions

- **Disposal of the Product:**
  - When disposing of the TEKKO Free Float KeyMod Rail System, follow local regulations for the disposal of aluminum and firearm accessories.
  - Avoid disposing of the product in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the TEKKO Free Float KeyMod Rail System, please refer to the manufacturer's contact point or website for further support and information.

By following these safety instructions, you can ensure the safe and effective use of your TEKKO Free Float KeyMod Rail System. Thank you for your attention to safety and enjoy your new product!
