ENGAGE PISTOL GRIP FOR AK47 Safety Instruction Guide

Introduction

Thank you for choosing the ENGAGE PISTOL GRIP FOR AK47 by MISSION FIRST TACTICAL, LLC. This safety instruction guide provides essential information to ensure safe usage and maintenance of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the ENGAGE PISTOL GRIP is installed correctly and securely before use.
- Regularly inspect the grip for any signs of wear or damage. If any issues are found, discontinue use and contact the manufacturer.
- Keep the grip away from extreme temperatures, moisture, and chemicals that may degrade the material.
- Always follow local laws and regulations regarding firearm accessories and modifications.
- Store the grip in a safe place, out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Use the grip only with compatible firearms, specifically the AK47.
- Ensure that your hands are dry and free from any substances that may affect grip performance, such as oils or lubricants.
- Do not modify or alter the grip in any way that could compromise its structural integrity or safety.
- Be cautious when accessing the watertight storage compartment; ensure it is closed properly after use.
- If using gloves, ensure they are suitable for maintaining grip and control.

Instructions for Installation and Usage

1. Installation

- Remove the original pistol grip from your AK47 by following the manufacturer's instructions.
- Align the ENGAGE PISTOL GRIP with the mounting area on the firearm.
- Secure the grip using the provided screws, ensuring a tight fit without overtightening.
- Confirm that the grip is firmly attached and does not move or wobble.

2. Usage

- Hold the grip with a fullfisted hold to maximize control and stability.
- Utilize the textured finger swells and grooved back strap for a nonslip grip.
- If you need to access the watertight storage compartment, use one hand to hold the grip steady while using the other to open the compartment.
- Regularly check the grip angle to ensure it remains aligned and does not affect trigger contact.

Disposal Instructions

- Dispose of the ENGAGE PISTOL GRIP in accordance with local regulations regarding polymer materials.
- Do not incinerate the grip as it may release harmful substances.
- If the grip is damaged beyond repair, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product issues, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your ENGAGE PISTOL GRIP FOR AK47. Always prioritize safety and adhere to local regulations when using firearm accessories. Thank you for your attention to these guidelines.
