

VICKERS 2-TO-1 SLING PUSH BUTTON VERSION - BLUE FORCE GEAR VICKERS 2-TO-1 SLING PUSH BUTTON VERSION COYOTE BROWN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

BLUE FORCE GEAR VICKERS 2-TO-1 SLING PUSH BUTTON VERSION While a 2 point sling is ideal for most situations, there are times, like deploying from a vehicle or fighting in complex structures, when a sing point sling has an advantage. Combining our new polymer Burnsed Socket and patented RED Swivel, the Vickers 221 Sling allows users to switch from 2-point to 1-point mode instantly by pulling on the RED Swivel knob and reinserting it in to the Burnsed Socket at the rear of the receiver. The instantaneous adjustability of the sling is still maintained in both single and 2 point modes.

Vickers 2to1 Sling Push Button Version Safety Instructions

Introduction

Thank you for choosing the Vickers 2to1 Sling Push Button Version by Blue Force Gear. This product is designed for versatility and ease of use in various situations. To ensure your safety and the safe operation of this sling, please read and understand the following safety instructions and guidelines.

General Safety Guidelines

- Ensure that the sling is used only for its intended purpose.
- Always inspect the sling for any signs of wear or damage before each use.
- Do not exceed the manufacturer's recommended weight limit for the sling.
- Keep the sling away from sharp objects, heat sources, and chemicals that may cause damage.
- Store the sling in a dry, cool place when not in use.
- Be aware of your surroundings when using the sling, especially in crowded or complex environments.
- If you notice any irregularities during use, discontinue use immediately and inspect the sling for issues.

Specific Safety Precautions for Use

- **Installation:** Ensure that the sling is properly installed according to the instructions provided. Improper installation can lead to accidents or injuries.
- **Adjustability:** Familiarize yourself with the RED Swivel knob mechanism. Practice switching between 2point and 1point modes in a safe environment before using it in the field.
- **Weight Distribution:** When using the sling, ensure that the weight is evenly distributed to avoid strain or discomfort.
- **Children:** Keep the sling out of reach of children and do not allow them to use it without adult supervision.
- **Emergency Situations:** In case of emergency, be prepared to quickly release the sling if necessary.

Instructions for Installation and Usage

1. Installation:

- Locate the Burnsed Socket at the rear of the receiver.
- Insert the RED Swivel into the Burnsed Socket until it clicks into place.
- Ensure that the sling is securely attached before use.

2. Switching Modes:

- To switch from 2point to 1point mode:
 - Pull the RED Swivel knob to release it from the Burnsed Socket.
 - Reinsert the knob into the desired position in the Burnsed Socket.
- Ensure that the knob is securely locked in place before using.

3. Adjustability:

- Adjust the length of the sling as needed for comfort and accessibility.
- Test the adjustments in a safe environment to ensure proper fit.

4. Usage:

- When using the sling, maintain a firm grip on your equipment.
- Be mindful of your movement and surroundings to avoid entanglement or accidents.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- Do not burn or incinerate the sling as it may release harmful substances.
- If the sling is damaged beyond repair, consider recycling the materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the Vickers 2to1 Sling Push Button Version, please consult the manufacturer's website or reach out to your retailer for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Vickers 2to1 Sling Push Button Version. Always prioritize safety and remain aware of your surroundings while using this product. Thank you for your attention to these important safety measures.
