

VICKERS 2-TO-1 SLING PUSH BUTTON VERSION - BLUE FORCE GEAR VICKERS 2-TO-1 SLING PUSH BUTTON VERSION MULTICAM

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

BLUE FORCE GEAR VICKERS 2-TO-1 SLING PUSH BUTTON VERSION While a 2 point sling is ideal for most situations, there are times, like deploying from a vehicle or fighting in complex structures, when a sing point sling has an advantage. Combining our new polymer Burnsed Socket and patented RED Swivel, the Vickers 221 Sling allows users to switch from 2-point to 1-point mode instantly by pulling on the RED Swivel knob and reinserting it in to the Burnsed Socket at the rear of the receiver. The instantaneous adjustability of the sling is still maintained in both single and 2 point modes.

Vickers 2to1 Sling Push Button Version Safety Instructions

Introduction

Thank you for choosing the Vickers 2to1 Sling Push Button Version by Blue Force Gear. This guide provides important safety instructions to ensure the safe use of your sling. Please read this manual thoroughly before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the sling for any signs of wear or damage before each use.
- Do not exceed the recommended load capacity of the sling.
- Keep the sling out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the sling is securely attached to both the firearm and the user before use.
- Avoid using the sling in situations where it may become entangled with other equipment or obstacles.
- Be cautious when switching between the 2point and 1point modes to prevent accidental release.
- Do not modify or alter the sling in any way, as this may compromise its safety and functionality.
- Use the sling in accordance with the manufacturer's instructions to minimize risk.

Instructions for Installation and Usage

1. Installation:

- Identify the attachment points on your firearm.
- Securely attach the sling's clips to the designated points, ensuring they are locked in place.
- Adjust the length of the sling to fit your body comfortably.

2. Switching Modes:

- To switch from 2point to 1point mode:
 - Pull on the RED Swivel knob.
 - Reinserting it into the Burnsed Socket at the rear of the receiver will change the mode.
- Ensure the adjustment is secure before use.

3. Adjustability:

- The sling allows for instant adjustment in both single and 2point modes.
- Regularly check that the adjustment mechanism is functioning correctly.

4. Usage:

- When using the sling, ensure it is positioned correctly across your body for optimal support.
- Avoid placing excessive strain on the sling during use.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- Do not dispose of the sling in household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries or further support, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure the safe and effective use of your Vickers 2to1 Sling Push Button Version. Thank you for prioritizing safety!
