MLOK Handguard for AR15 Safety Instructions

Introduction

Thank you for choosing the ONE HORSE MLOK Handguard for your AR15. This product is designed to enhance the performance and versatility of your firearm. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the product is suitable for your specific AR15 model before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the handguard and all accessories out of reach of children and unauthorized users.
- Regularly inspect the handguard for signs of wear, damage, or corrosion.
- Report any unsafe product conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Before using the handguard, ensure that the firearm is unloaded and pointed in a safe direction.
- Do not exceed the manufacturer's recommended weight limit for mounted accessories.
- Avoid using incompatible accessories that may compromise the integrity of the handguard.
- Use only tools and equipment that are designed for firearm maintenance and installation.
- Do not modify the handguard or attempt to disassemble it beyond the manufacturer's instructions.

Instructions for Installation and Usage

1. Installation

- Gather all necessary tools, including a torque wrench and appropriate socket.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing handguard by loosening the barrel nut.
- Align the new MLOK handguard with the receiver and securely attach it using the durable steel barrel nut.
- Tighten the barrel nut to the manufacturer's specified torque settings to ensure secure installation.

2. Usage

- After installation, check the handguard for stability and ensure that all accessories are securely mounted.
- Regularly inspect the handguard during use, especially after heavy use or exposure to harsh conditions.
- If any issues arise, such as looseness or damage, discontinue use immediately and consult a professional.

Disposal Instructions

- Dispose of the handguard in accordance with local regulations for electronic and mechanical waste.
- Do not incinerate or expose the handguard to extreme heat, as this may release harmful substances.

Contact Information for Further Support

For safety inquiries or to report unsafe products, please refer to the relevant EU contact points or authorities.

By following these safety instructions, you can ensure the safe and effective use of your ONE HORSE MLOK

Handguard for AR15. Thank you for prioritizing safety in your firearm practices.
