RIFLE MASTER REST QC Safety Instruction Guide

Introduction

Thank you for choosing the RIFLE MASTER REST QC (Quick Change) by Ransom International. This product is designed to provide a stable and adjustable platform for shooting. To ensure your safety and the proper use of this product, please read this instruction guide carefully.

General Safety Guidelines

- Ensure that all users are familiar with the safe handling and operation of firearms.
- Always treat firearms as if they are loaded.
- Use the RIFLE MASTER REST QC only in a safe and controlled environment.
- Keep the area clear of unauthorized persons, especially children and pets.
- Regularly inspect the rest for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of shooting rests and firearms.

Specific Safety Precautions for Use

- Always use the rest on a stable and level surface to avoid tipping or instability.
- Ensure that the rifle is securely placed on the rest before making any adjustments.
- Use caution when adjusting the elevation and positioning of the rest to prevent accidental movement of the firearm.
- Do not exceed the recommended weight limit for the rest.
- Avoid placing your hands near the rifle's action while making adjustments.
- Do not use the rest if it has been damaged or modified in any way.

Instructions for Installation and Usage
