

# AR-15 5.56 LOW MASS COMPLETE BOLT CARRIER GROUPS - J P ENTERPRISES JPBC-3A LOW-MASS BOLT & CARRIER

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

Precision-machined, stainless bolt-and-carrier group features JP's enhanced bolt made of high-grade 9310 steel for a significantly longer life expectancy than standard mil-spec bolts. Set is available with choice of JPBC-2A Low Mass carriers that reduce felt recoil and increase bolt speeds slightly for enhanced rapid fire handling, or the standard JPBC-2A Full Mass carriers that replicates the normal carrier weight and is preferred for duty rifles or any time absolute reliability is required. Standard weight carrier features a 100% increase in bearing surface for smoother cycling and reduced wear on the inside of the receiver. Both the JPBC-2A carriers feature JP's super-hard QPQ finish for maximum wear resistance and minimal friction. Extractor, firing pin, and all other components are included.

## Attributes

- Name: [J P ENTERPRISES JPBC-3A LOW-MASS BOLT & CARRIER](#)

# Safety Instruction Guide for AR15 5.56 Low Mass Complete Bolt Carrier Groups

## Introduction

Thank you for choosing the AR15 5.56 Low Mass Complete Bolt Carrier Groups by J P Enterprises. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always handle firearms and firearm components with care and treat every weapon as if it is loaded.
- Store the product in a secure location away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded before installing or removing the bolt carrier group.
- Avoid using the product in wet or excessively humid conditions to prevent corrosion.
- Do not modify the bolt carrier group or any of its components, as this may affect safety and performance.
- Follow manufacturer guidelines for cleaning and maintenance to ensure optimal performance and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Remove the existing bolt carrier group from the firearm.
- Carefully insert the new AR15 bolt carrier group into the receiver, ensuring it is seated properly.
- Ensure that the charging handle is functioning correctly before proceeding.

### 2. Usage:

- After installation, conduct a function check to ensure proper operation of the bolt carrier group.
- When firing, maintain a firm grip on the firearm and be aware of your surroundings.
- Monitor for any unusual sounds or malfunctions during operation. If any issues arise, cease use immediately and inspect the firearm.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm components.
- Do not dispose of the product in regular household waste.
- Contact local authorities or waste management facilities for proper disposal options.

## Contact Information for Further Support

For any inquiries regarding safety or product performance, please consult your retailer or manufacturer. They can provide guidance and support in accordance with the EU General Product Safety Regulation (GPSR).

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on your

careful handling and adherence to these guidelines.
