

# AR-15 5.56 LOW MASS COMPLETE BOLT CARRIER GROUPS - J P ENTERPRISES JPBC-3 223 LOW MASS POLISHED CARRIER

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

Precision-machined, stainless bolt-and-carrier group features JP's enhanced bolt made of high-grade 9310 steel for a significantly longer life expectancy than standard mil-spec bolts. Set is available with choice of JPBC-2A Low Mass carriers that reduce felt recoil and increase bolt speeds slightly for enhanced rapid fire handling, or the standard JPBC-2A Full Mass carriers that replicates the normal carrier weight and is preferred for duty rifles or any time absolute reliability is required. Standard weight carrier features a 100% increase in bearing surface for smoother cycling and reduced wear on the inside of the receiver. Both the JPBC-2A carriers feature JP's super-hard QPQ finish for maximum wear resistance and minimal friction. Extractor, firing pin, and all other components are included.

## Attributes

- Name: [J P ENTERPRISES JPBC-3 223 LOW MASS POLISHED CARRIER](#)
- Manufacturer: [J P ENTERPRISES](#)

# Safety Instruction Guide for AR15 5.56 Low Mass Complete Bolt Carrier Groups

## Introduction

Thank you for choosing the AR15 5.56 Low Mass Complete Bolt Carrier Groups from J P Enterprises. This product is designed for enhanced performance and reliability. However, safety is paramount. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure a safe experience.

## General Safety Guidelines

- Ensure that you are familiar with the operation of firearms and follow all local laws and regulations.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store the product and all related components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Do not modify the bolt carrier group or any other components.
- Ensure that your firearm is compatible with the AR15 5.56 Low Mass Complete Bolt Carrier Group before installation.
- Use only highquality, reliable ammunition to avoid malfunctions.
- Avoid using the product in wet or damp conditions to prevent rust and corrosion.
- Keep your hands and face clear of the ejection port during operation.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and the safety is engaged.
2. Remove the existing bolt carrier group from the firearm.
3. Clean the receiver and inspect for any debris or damage.
4. Install the AR15 5.56 Low Mass Complete Bolt Carrier Group by aligning it with the receiver and sliding it into place.
5. Make sure the bolt carrier group locks securely in the receiver.
6. Perform a function check to ensure proper operation.

### Usage

- Load the firearm only when you are ready to shoot.
- Always keep your finger off the trigger until you are ready to fire.
- After shooting, clean the bolt carrier group and inspect for wear or damage.
- Follow the manufacturer's recommendations for maintenance and cleaning.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for firearm components.
- Do not discard in regular household waste.

- Contact local authorities or waste management services for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the AR15 5.56 Low Mass Complete Bolt Carrier Groups, please refer to the product packaging or visit the manufacturer's website for additional support and resources.

By following these safety instructions, you help ensure a safe and enjoyable experience with your AR15 5.56 Low Mass Complete Bolt Carrier Group. Thank you for your attention to safety.
