EXTRACTOR REPLACEMENT SPRINGS & CAP MILLENIUM CUSTOM II EXTRACTOR SPRINGS FOR 9X19.38S,.40, 4PAK Safety Instruction Guide

Introduction

Thank you for choosing the EXTRACTOR REPLACEMENT SPRINGS & CAP for your Millenium Custom Advanced Competition Extractor. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide carefully before use to ensure compliance with safety regulations and to maintain optimal performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the extractor springs and caps for signs of wear or damage.
- Do not use the product if any components appear damaged or worn.
- Follow all local laws and regulations regarding the use of firearm accessories.
- In case of any doubts regarding the safety of the product, consult a qualified professional.

Specific Safety Precautions for Use

- Use only the recommended steel springs and caps designed for the Millenium Custom Advanced Competition Extractor.
- Avoid using worn or damaged springs, as they may lead to malfunction or safety hazards.
- Ensure that all installations are performed in a safe environment, free from distractions.
- Wear appropriate safety gear, such as eye protection, during installation and handling.
- Always handle the extractor with care to prevent accidental discharge or injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and safe to handle.
- Gather all necessary tools for installation.

2. Removing the Old Extractor Springs:

- Carefully disassemble the extractor from the firearm according to the manufacturer's instructions.
- Inspect the old springs for wear or damage.
- Remove the old springs and cap from the extractor.

3. Installing the New Extractor Springs:

- Take the new steel springs from the package.
- Place the new springs into the extractor, ensuring they are seated properly.
- Attach the new steel cap securely to the extractor.

4. Reassembling the Extractor:

- Follow the manufacturer's instructions to reassemble the extractor into the firearm.
- Doublecheck that all components are securely fastened.

5. **Testing:**

- Conduct a function check of the firearm in a safe and controlled environment.
- Ensure that the extractor operates smoothly and effectively.

Disposal Instructions

- Dispose of old springs and caps in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the contact details provided by the manufacturer or retailer. It is essential to have a point of contact for any safety concerns or product recalls.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the EXTRACTOR REPLACEMENT SPRINGS & CAP for your Millenium Custom Advanced Competition Extractor. Always prioritize safety and compliance with local regulations when handling firearm accessories. Thank you for your attention to these important guidelines.
